

DO YOU
SELL

Photographic Goods ? ? ?

Every Druggist now handling Cameras, and those contemplating adding a line of these goods, should know about the

GOERZ DOUBLE-ANASTIGMAT LENS

because every owner of a camera who wants to take perfect pictures will buy this lens when its advantages are appreciated. It is the only corrected anastigmat which covers sharply up to the edges of the entire circle of light. It costs more than other lenses, but it's worth more, consequently sells on its merits. Beware of inferior makes which are sold

under the name of Double Anastigmats. I also manufacture a full line of the wonderful

Trieder-Binoculars

which have eight to ten times the power of the old style field and opera glasses. If you handle optical goods, these glasses should be included in your stock.

Write for my catalogue, which illustrates and describes both of the above lines. I want to interest Druggists in my goods, and am prepared to offer special inducements.
