

Notes

The Names of the members of the various committees of our church were published Jan 21. Now it remains for the conveners to call their respective committees together immediately to plan for aggressive work. A committee is of no service unless it does something. The chairman has much to do with the success of its working, but the chairman must have the co-operation of the entire committee to really succeed. We must also remember in each committee that our help is from the Lord. No committee should attempt to plan work without asking the Lord's blessing. In other words, each committee should begin their deliberations with prayer. To neglect this means failure. Let the committees look to the holy spirit for help this year, and plan with his approval. That will make this year memorable.

The B. Y. P. U. now meets on Monday evening, and we expect to see those for whom the change was made availing themselves of the opportunity to resume their places in the meetings. Young people cannot afford to neglect the means of grace. The meeting of the District B. Y. P. U. for the present quarter will be in the form of a social, and will be held in the Tabernacle Feb. 9th, at 8 P. M. A programme is being prepared, and all may look forward to an enjoyable evening. We hope our Union will be well represented on this occasion. No admission fee is requested, but a collection is customary at the District Meeting.

A year great for soul saving. Are we going to make it that? If so, it will be necessary for us to humble ourselves under the mighty hand of God. It is well for us to feel grateful to the Lord Jesus for the prosperity of the past year, but there is great danger here. We need to fear the relaxing of our efforts and falling into spiritual stupor. If ever we ought to arouse ourselves, it is when some success has crowned our labors. Prosperity has destroyed many. Pride of heart steps in and says: "see what we have builded." God is forgotten. When we leave him out of the reckoning, we have paved the way to spiritual death and failure. If this year is to be memorable for soul-saving, it must be made so by our complete surrender to the guidance of the Holy Spirit. O, that we might let Him take unkind thoughts, envyings, grudges, spites, jealousies, harshness, slavery to the world, and ignorant sins of every kind out of our hearts. Then and only then will we have a deep work of grace.

Our Revenue.—This Church is supported by the free will offerings of the people. Every member, young and old, is expected to contribute regularly. If each one gives as "God has prospered," no one will be burdened, and there will be ample means for support of every department. Subscriptions may be made at any time to the Treasurer, Deacon W. T. Harris, and A. E. Soullis, Chairman of the Finance Committee, who will supply envelopes for "CURRENT EXPENSES," "MORTGAGE FUND," and "ORGAN FUND." "Convention Fund" offering the Second Sunday of each month.

The Pastor will be glad to speak with you at the close of each service. Kindly inform him immediately concerning the sick, strangers, any without regular church home, and where a visit will be helpful. All are urged to use the information cards in pews.
