PURE

Why do I use this Powder? Because it is Made from Pure Cream Tartar and Pure Bicarbonate of Soda, and is Perfectly Wholesome.

How do I know this to be true? Because I have the testimony of the best Analysts in Canada that it is so. I have also the testimony of nearly all the Wholesale and Retail Grocers in the Principal Cities in Canada that it gives universal satisfaction.

BAKING

What other reason have I for using it? Because as well as being better it is cheaper than any other Good Cream Tartar Powder in the Market.

POWDER.

What is the reason that the Pure Gold Manufacturing Company can sell it of such Fine Quality, and yet at a Lower Price than Imported Powder? Because Pure Cream Tartar is admitted into Canada free of duty, while Baking Powders cost about 7 I-2c. per pound.
