

You Would Like This In Your Home!

What could be more convenient than such a combination as this—a handsome, splendidly appointed desk with book space beneath suitable for your large-sized books, a large drawer for stationery, etc., and a section on top suitable for any ordinary-sized books?

EVERYONE

in the home will derive pleasure, comfort and convenience from such a combination as this, and besides it does not cost much, which is often quite a serious consideration.

ANY STYLE

of furniture you may have in your home can be perfectly matched by the famous "Macey" sectional cases, as we make many styles and many finishes.

IF ONE SECTION

will hold all your books, why that is all you need to buy until you need more space, then simply add sections as you need them. Nothing could be more simple.

OUR "MACEY STYLE BOOK" tells all about them. Send us your address and we will mail you a copy, free of all charges. Write to-day.
