

### What the Recamier Preparations are and why they are to be used.

Recamier Cream, which is first of these world famous preparations, is made from the recipe used by Julie Recamier. It is not a cosmetic, but an emollient to be applied at night just before retiring, and to be removed in the morning by bathing freely. It will remove tan and sunburn, pimples, red spots or blotches, and make your face and hands as smooth, as white and as soft as an infant's.

Recamier Balm is a beautifier, pure and simple. It is not a whitewash, and unlike most liquids Recamier Balm is exceedingly beneficial and is absolutely imperceptible except in the delicate freshness and youthfulness which it imparts to the skin.

Recamier Lotion will remove freckles and moth patches, is soothing and efficacious for any irritation of the cuticle, and is the most delightful of washes for removing the dust from the face after travelling, and is also invaluable to gentlemen to be used after shaving.

Recamier Powder is in three shades, white, flesh and cream. It is the finest powder ever manufactured, and is delightful in the nursery, for gentlemen after shaving and for the toilet generally.

Recamier Soap is a perfectly pure article guaranteed free from animal fat. This soap contains many of the healing ingredients used in compounding Recamier Cream and Lotion.

The **RECAMIER TOILET PREPARATIONS** are positively free from all injurious ingredients, and **CONTAIN NEITHER LEAD, BISMUTH NOR ARSENIC**, as attested to after a searching analysis by such eminent scientists as

### HUMOUROUS.

**MISS GABBLE:** I have had that parrot for three months now, and it has never spoken a word yet. **Caller:** Perhaps you have never given it a chance.

**A FOREGONE CONCLUSION.**—"Ah, that horse was a gallant beast," said Gen. Vane. "You should have seen him at Antietam—he scented the battle afar off." "You bet he did," said Kuhl "if you were on him."

**SHE** (trying to give the conversation a literary turn): What do you think of Marie Bashkirtseff? **He** (who prides himself on his general information)—"Er—excellent—excellent, but—er—she's not Lillian Russell, you know."

**TRIALS OF A MEDICAL MAN.**—Physician (shaking his head): My friend, I can do nothing more for you. Patient (alarmed): Why, what is the matter, doctor? Physician (gloomily): You don't need any more medicine. You have quite recovered.

**THE WANING OF THE HONEYMOON.**—**He:** Jove! It's awfully lonesome here, **She:** Yes. We are worse off than Robinson Crusoe. **He:** Not so bad as that. **She:** Yes, twice as bad. There was only one of him. There are two of us—just twice as lonesome.

"I don't believe I am very popular with your father," said Herbert, sadly. "No," she answered frankly, "you are not." "Do you know of anything I could do to make him like me better?" "I don't know of anything," she answered after some thought, "unless you could go away somewhere and die."

An old lady who witnessed a production of The Merchant of Venice many years ago went again recently to see the story of Shylock enacted upon the stage. Upon her return home she was asked how she liked it. "Waal," said she, "Venice seemed to have been spruced up some since the first time I saw it, but Shylock's just the same mean, ordinary thing he was forty years ago."

**MINISTER** (to choirmaster): The music went splendidly this morning. **Choirmaster:** Yes, I flatter myself it did. **Minister:** I am glad to see the singers give their whole energy to the important religious work. There is no deception in such singing as that. **Choirmaster:** Well, no, I should say not. You see, Mr. Thumper, I told the choir last night that an operatic manager would attend church to-day for the purpose of finding some good voices.

CANYON OF THE COLUMBIA RIVER, B.C.

**COSTLY FREE SCHOOLS.**—Immigrant (with large flock of children): I came to this country because I heard that education here was free. **Native:** My poor man, you were misinformed. To educate that family of children in this country will bankrupt you. **Immigrant:** My goodness! Are the terms so high? **Native:** Nothing is charged for the teaching; but you will have to buy about half a ton of new, standard, revised improved, and otherwise mutilated school books every month or two.

**REAL CAUSE OF THE QUARREL.**—**Sympathizing friend:** I am always sorry when I hear of there being any discord in a family. What caused the trouble between you and your husband? **Wife** (gloomily): A mere matter of opinion. **Sympathizing friend:** Absurd! I should think you would have more sense. A mere matter of opinion! **Wife:** A pinion, I said. A bird's wing for my hat. It cost \$20, and he was mad. **Sympathizing friend:** I guess, my dear, it wasn't the wing of the bird you quarrelled about, but the bill.

**EPISCOPAL KITTENS.**—**Small boy:** Do you want to buy some Presbyterian kittens? **Minister:** Kittens! No; go along." A week later the boy calls at the "Episcopal Rectory" and asks the rector if he wants to buy some 'Piscopal kittens. **Rector** replies, "Episcopal kittens! Why, I never heard of such a thing." Just then the Presbyterian minister who was calling at the house came out and said, "Look here! Aren't you the boy that came to my house a week ago to sell me some Presbyterian kittens?" **Small boy:** Yes, sir. **Minister:** Well, aren't these the same kittens? **Small boy:** Yes, sir. **Minister:** Well, how is it they are Episcopal kittens now? **Small boy:** Why you see when I brung 'em to you they hadn't got their eyes open yet. **Exit** Presbyterian minister.

### HOMESTEAD REGULATIONS.

All even numbered sections, excepting 8 and 26, are open for homestead and pre-emption entry.

#### ENTRY.

Entry may be made personally at the local land office in which the land to be taken is situate, or if the homesteader desires, he may, on application to the Minister of the Interior, Ottawa, or the Commissioner of Dominion Lands, Winnipeg, receive authority for some one near the local office to make the entry for him.

#### DUTIES.

Under the present law homestead duties may be performed in three ways:

1. Three years' cultivation and residence, during which period the settler may not be absent for more than six months in any one year without forfeiting the entry.

2. Residence for three years within two miles of the homestead quarter section and afterwards next prior to application for patent, residing for 3 months in a habitable house erected upon it. Ten acres must be broken the first year after entry, 15 acres additional in the second, and 15 in the third year: 10 acres to be in crop the second year, and 25 acres the third year.

3. A settler may reside anywhere for the first two years, in the first year breaking 5 acres, in the second cropping said 5 acres and breaking additional 10 acres, also building a habitable house. The entry is forfeited if residence is not commenced at the expiration of two years from date of entry. Thereafter the settler must reside upon and cultivate his homestead for at least six months in each year for three years.

#### APPLICATION FOR PATENT

may be made before the local agent, any homestead inspector, or the intelligence officer at Medicine Hat or Qu'Appelle Station.

Six months' notice must be given in writing to the Commissioner of Dominion Lands by a settler of his intention prior to making application for patent.

Intelligence offices are situate at Winnipeg, Qu'Appelle Station and Medicine Hat. Newly arrived immigrants will receive, at any of these offices, information as to the lands that are open for entry, and from the officers in charge, free of expense, advice and assistance in securing lands to suit them.

#### A SECOND HOMESTEAD

may be taken by any one who has received a homestead patent or a certificate of recommendation, countersigned by the Commissioner of Dominion Lands, upon application for patent made by him prior to the second day of June, 1887.

All communications having reference to lands under control of the Dominion Government, lying between the eastern boundary of Manitoba and the Pacific Coast, should be addressed to the Secretary of the Department of the Interior, Ottawa, or to H. H. Smith, Commissioner of Dominion Lands, Winnipeg, Manitoba.
