Another Important Letter from Georgia, Read it.

We are daily receiving testimony like the following from the North, South, East and West:—

Gentlemen—I was afflicted with Asthma for fourteen years, and had tried every remedy in the country; I had also been to several physicians and found no relief whatever. I was afflicted at times so severely, that the blood would gush from my nose, and my breathing was difficult. Indeed the disease had aimed so much on me that I despaired of ever getting well, when I chanced to get a bottle of "WISTAR'S BALSAM OF WILD CHERRY," which effected a perfect cure, and I now consider myself perfectly sound. This can be proved by numbers of men in Franklin County and vicinity, and I think it my duty to let it be known.
