## SHE WAS SAVED

From days of agony and discomfort, not by great interpositions, but by the use of the only sure-pop corn cure—Putnam's Painless Corn Extractor. Tender painful corns are removed by its use in a few days, without the slightest discomfort. Many substitutes in the market make it necessary that only "Putnam's" should be asked for and taken. Sure, safe and harmless.

And Dr. Dyet.

**NURSERY MEDICINES.**—We do not believe in dosing children with drugs and medicines from the time they arrive in the world till they are grown, as some do. We have found a little castor oil and a bottle of Perry Davis' Pain-Killer safe and sure remedies for all their little ills, and would not do without them.

A traveller who had just read on the guide post—"Dublin, 2 miles," thought to make game of a passing Irishman by asking—"If it's two miles to Dublin, Pat, how long will it take to get there?" "Faith," returned Pat, "and if yer heels be as slow as yer wits, ye'll get there about Christmas."

**PUTTNER'S EMULSION**

OF COD LIVER OIL, &amp;c.,

**CHEMICAL LABORATORY,**  
DALHOUSIE COLLEGE, HALIFAX,  
HALIFAX, N.S., Jan. 30th, 1886.

I have made analysis of samples of the **EMULSION OF COD LIVER OIL**, prepared by the Puttner Emulsion Co., and they have explained to me the details of their process. The ingredients used, and the mechanical processes to which they are successively subjected, enabled this Company to prepare a Permanent Emulsion without the use of acids or alkalis. This preparation has been known to me for many years, and when carefully prepared, is certainly a great improvement upon Crude Cod Liver Oil, not only being milder in flavor, but having the more substantial advantage of being in the best form for digestion and assimilation.

of Great Britain and Ireland,

PUTTNER'S EMULSION is sold by all
