SPECIAL OFFER FOR 1880.

The next volume of CHURCH WORK begins in March, 1880, and as we are particularly desirous of bringing our circulation up to 10,000, we are now making special efforts in its behalf.

At the earnest solicitations of many well-wishers we have decided to omit "Business Notices," "Acknowledgements" and everything else which might in any way hinder the paper being local ized, and to offer every elergyman who sends us FIFTY names, with the money, before the expiration of three months from date, to include COVERS FREE OF CHARGE.

The clergy will be able, if they so please, for a small sum in addition, to get printed at their local printing office, (and a few advertisements on the back of cover will pay for it,) any local matter which they may wish to bring to the notice of their people.

Sample of covers may be had on application to this office

All the Bishops, and, as far as we know, all the clergy of Canada and Newfoundland, endorse CHURCH WORK; and by many its advent is looked for with interest and pleasure.

It has done, so the clergy say, and is doing a good work for the Church and Christianity.

Every parish in the land can now have its own Parish Magazine.

And, as the price is only 30 CENTS A YEAR, every family, even the poorest, is in a position to subscribe for it.

If the clergy will only give CHURCH WORK a trial they will be surprised at the good results attending its introduction.

Let their be no delay, let some one in each parish get to work at once canvassing, and send along your orders,
