Gentlemen—Having stated it verbally to you, I have no hesitation in writing the fact, that I experienced marked benefit from your Hoofland's German Bitters. During a long and tedious session of Congress, pressing and onerous duties nearly prostrated me. A kind friend suggested the use of the preparation I have named. I took his advice, and the result was improvement of health, renewed energy, and that particular relief I so much needed and obtained. Others may be similarly advantaged if they desire to be.—Truly your friend, THOMAS B. FLORENCE.

From the Rev. Thos. Winter, D. D., Pastor of Roxborough Baptist Church. Dr. Jackson—Dear Sir: I feel it due to your excellent preparation, Hoofland's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters, I did so, and have experienced great and unexpected relief; my health has been very materially benefited. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.—Respectfully yours, T. WINTER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Rutztown, Berks County, Pa. Dr. C. Jackson—Respected Sir: I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles.—Yours, with respect, J. S. HERMAN.

From Julius Lee, Esq., firm of Lee & Walker, the most extensive Music Publishers in the United States, No. 722 Chestnut street, Philadelphia: February 8th, 1864. Messrs. Jones & Evans—Gentlemen—My mother-in-law has been so greatly benefited by your Hoofland's German Bitters that I concluded to try it myself. I find it to be an invaluable tonic, and unhesitatingly recommend it to all who are suffering from dyspepsia. I have had that disease in its most obstinate form—flatulency—for many years, and your Bitters has given me ease when everything else had failed.—Yours truly, JULIUS LEE.

From the Hon. JACOB BROOM: Philadelphia, Oct. 7th, 1863. Gentlemen: In reply to your inquiry as to the effect produced by the use of Hoofland's German Bitters in my family, I have no hesitation in saying that it has been highly beneficial. In one instance, a case of dyspepsia of thirteen years' standing, and which had become very distressing, the use of one bottle gave decided relief, the second effecting a cure, and the third, it seems, has confirmed the cure, for there has been no symptoms of its return for the last six years. In my individual use of it, I find it to be an unequalled tonic, and sincerely recommend its use to the sufferers.—Truly yours, JACOB BROOM, 1707 Spruce Street.

"THE LAMP" New and Improved Series, in Monthly parts, price 9d. Yearly, \$1.75. The Lamp in 1865. It is little more than two years ago since the New Series of the Lamp commenced. The great increase in its circulation has been the most convincing proof that satisfaction has been given by the improvements effected in the periodical. It has been the happiness of the Conductor of this Magazine to receive the benediction of the Holy Father on the undertaking. A distinguished Prelate wrote from Rome as follows to the Proprietor of the Lamp: 'I have presented the Lamp to the Holy Father. He was much pleased, and directed me to send you his blessing, that you and all your works may prosper.' We have also had the assurance of the satisfaction of His Eminence the late Cardinal Wiseman, in whose archdiocese the Lamp is published, and whose kind assistance to the undertaking has been evinced several times by the contributions from his pen which are to be found in our columns. We are authorized to say that 'His Eminence has been much pleased with the progress of the Lamp, and the position it has taken.' Encouraged, therefore, by the blessing of the Vicar of Christ, which is never unfruitful, and the approval of His Eminence, the Conductor of the Lamp looks confidently for increased support from the Catholic public. Much has been done to improve the Lamp; much remains to be done; and it rests chiefly with Catholics themselves to effect the improvement. Our adversaries, and even we ourselves, often point to the well-got-up Protestant publications, and ask why Catholics cannot have something as good in point of material, ability, illustrations, &c. Nothing is more easy. If every Catholic who feels this, and who desires to see a Catholic Magazine equal to a Protestant one, will take in the former for a year, there is at least a good chance of his wishes being realized. If every priest would speak of the undertaking in his parish once a year, and encourage his people to buy the Lamp instead of the various cheap publications too rapidly making their way among our youth, and our poor—publications which can hardly be called Protestant, because they have no religion, and often openly teach immorality—the success of the Catholic Magazine would be assured. It is their immense circulation, and the support they obtain from their respective political or religious parties, which enables these journals to hold their ground; and unless Catholics will give their hearty and cordial support to their own periodicals in a similar manner, it is impossible for them to attain superiority.

The LAMP has now the largest Circulation of any Catholic Periodical in the English language. It contains this week a New Story of great interest, and other articles of sterling merit, with illustrations by the first Artists of the day. Price—Yearly, \$1.75. In Monthly parts, 9d. Agents for Canada—Messrs. D. & J. Sadlier & Co., Booksellers, Corner of Notre Dame and St. Francis Xavier Streets, Montreal, C. E. March 27 1864.

BOARDING SCHOOL FOR YOUNG LADIES, HELD BY THE GREY SISTERS, CONVENT OF OTTAWA. UNDER THE PATRONAGE OF HIS LORDSHIP THE RT. REV. DR. GUIGUES.

THIS Institution, established some Twenty years ago, is well calculated by its position between Upper and Lower Canada, to afford the greatest facilities to French and English Young Ladies, for acquiring a complete knowledge of the French and English languages.

Nothing has been neglected that could contribute to attain this double end; and the ample and non-able testimony, constantly rendered, proves the effort to have been successful. Among many means employed to develop the intellect and cultivate a literary taste, are a well regulated Post Office and a Weekly Newspaper, edited exclusively by the young Ladies.

In the Commercial course a practical emulation is excited by a Bank and Commercial Rooms, in which business is transacted in both languages. It is a particular point of the rule that some of the recreations of the day are, each alternate week, strictly French, or entirely English, for those who are capable of speaking both languages.

Those who study Music will find everything that could secure them rapid and brilliant success; for this, it suffices to say that no fewer than Six Teachers are devoted to this Department, which embraces the Harp, Piano, Guitar, Melodeon, Organ, &c. A similar number of Misses preside over the different kinds of Painting in Oil, Pastille, Pencil, and the different kinds of Drawings, Embroidery, Wax Work, Artificial Flowers, &c. The Ornamental is not permitted to supersede the useful; for all the pupils are obliged to learn the theory and practice of Domestic Economy.

No distinction of Religion is made in the admission of Pupils. Children of different denominations, though obliged to conform strictly to the order of the House, are not required to assist at the Religious exercises of the community. Circulars containing particulars can be obtained by addressing the Lady Superior. The Classes will re-open on the First September. Ottawa, Aug. 10th, 1865. 3-m.
