NEW YORK, Aug. 27.—Nelson Tittle, employed by the Hoboken Ferry Co., was killed in a quarrel with two Italian musicians this a.m. The Italians were arrested.

A MUCH ABUSED SENSE. - No one of the five senses is so frequently outraged as the sense of smell; for under pretence of ministering to its gratification chariatans abuse it infamously. They pretend, for instance, to imitate MURRAY & LANMAN'S FLO RIDA WATER, the finest perfume of the present century, and disgust society with their unwholesome and disagreeable imitations. The public is requested to beware of these impositions which follow in the wake of this standard perfume, but are as unlike it as the missma of a swamp is unlike the perfuned atmosphere of a tropic valley.

Purchasers are requested to see that the words "Fiorida Water, Murray & Lanman, No. 69 Water Street, New York," are stamped in the glass on each bottle. Without this none is genuine.

L'ECHO DE LA FRANCE.

Revue Etrangere de Science et de Litterature.

E pluribas unum. Made up of every creature's best. Realizer le bien et contempler le besu.

The object of this Publication is to reproduce in convenient form, the choice extracts which are now spread out in Reviews, Newspapers and Periodicals published in Europe, and particularly in France, as is indicated by our title, and to furnish this valuable collection to the Public of Canada, at a very moderate price.

a Publication; and that a compilation affording a collection of the literary beauties and discussions of many subjects, which now appear in the old World in the French tongue, would be acceptable as well to the English as French speaking portions of our popu-

population to whom it is an object to cultivate acquaintance with the French language, or the polite literature of France, the projected publication will be in an especial manner valuable.

We purpose to give to our Review as wide a latitude as possible (even to affording to Romance a small space,) and to furnish extracts from the speeches and writings of the Thiers, the Berryers, the Montalemberts, of Pere Felix, of Kolb-Bernard, Monseignenr Dupanloup, Michel Chevalier, Vcuillot, De Laguerronniere, &c. &c., also sometimes from Figaro, and

the Chariveri. It will thus be Various, that the mind Of desultory man, studious of change And pleased with novelty, may be indulged.

Young people especially will find it very advantageous in their studies of the French language, as it will give them the best and safest illustrations of what they loarn, adorning at the same time their memory and intelligence with some of the best productions in the world. And we can repeat that it will be the most desirable means of initiating French Scholars into the beauties of the diplomatic tongue

BETWEEN HEALTH AND THE GRAVE there is but a thin partition, and all who value life are willing, it is presumed, to do their best to prevent the disease money. It overcomes the odor of perspiration: from breaking it down. Who so mad as to await the final attack, when the first onset can be repelled with BRISTOL'S SUGAR-COATED PILLS, a preparation so genial and balsamic, so searching, yet so invigorating, that while it fights down the complaint, and expels its cause, it also builds up the strength and braces the constitution of the patient. Composed of antibilious and cathartic vegetable ingredients, at once safe and searching, it is the only cure for disorders of the stomach, the liver, and the bowels which can be relied upon under all circum Stances, and in all climates. The idea of pain is justly associated with ordinary purgatives; but BRIS10L'S SUGAR COATED PILLS do not create even an unersy sensation, either in the stomach or Park to 4th street. DISEASES OF THE KIDNEYS .- It is said that twothirds of the civilized inhabitants of the world are afflicted, more or less, with disorders of the kidneys and the liver. Unquestionably kidney diseases have of late years become more frequent and unmanageable, especially in hot climates. Nothing seems to produce such a marked effect upon them as BRIS-TOL'S SARSAPARILLA. When the uric and lithic acids are in excess in the urinary secretion (and this is the cause of most of the class of diseases in question), the alkaline properties of the Sarsaparilla quickly stop the progress of the trouble, while its tonic operation strengthens the relaxed organs and restores their natural action. BRISTOL'S VEGE-TABLE PILLS should be used at same time with the Sarsaparilla, so that the bowels may assist the kidneys in carrying off the vitiated matter setfree in system by the latter medicine.

That night the child passed in suffering, and the parents without sleep. Return. ing home the day following, the father found the haby still worse; and while contemplating another sleepless night, the mother stepped from the room to attend to some domestic duties, and left the father with the child. During her absence he administered It is believed there is in Canada a vacancy for such a portion of the Soothing Syrup to the baby, and said nothing. That night all hands slept well, and the little fellow awoke in the morning bright and happy. The mother was delighted with the sudden and wonderful change, and although at first offended at the deception practised upon her, has continued Certainly to all that part of the English speaking to use the Syrup, and suffering, crying bables and restless nights have disappeared. S. T .- 1860. - X . - The amount of Plantation Bitters sold in one year is something startling. -They would fill Broadway six feet high, from the Park to 4th street. Drake's manufactory is one of the cabalistic "S. T .- 1860 .- X." and then got the old granny legislators to pass a law "preventing disfiguring the face of nature," which gives him a monopoly. WHAT DID IT! - A young lady, returning to her country home after a sojourn of a few months in New York, was hardly recognized by her friends. In place of a rustic, flushed tace, she had a soft, ruby complexion, of almost marble smoothness; and instead of 22, she really appeared but 17. She told them plainly she used Hagan's Magnolia Salm, and would not be without it. Any lady can improve her personal appearance very much by using this article.
