A Public Benefit - Nothing can be of more importance to the welfare of our community, than the health of our children; in this depends the future of our national greatness, and, in a large measure, the enjoyment of our own lives. We therefore claim, that in Devina' Vegetable Worm Pastilles, we have a great public benefit, a remedy so safe, so reliable, and so agreeable which gives health and strength to the weak and sickly child, brightness to the eye, bloom to the complexion, and plumpress to the form But parents should be careful to procure the genuine Pastille on each one of which is stamped the word " Daving," all others . re useless.

Prepared only by Devins & Bolton, Chemists.

MURRAY & LANMAN'S FLORIDA WATER .- POSSI may talk of 'gales from spicy Araby,' but it may well be questioned whether any cinnamon or orange grove ever sent up incense as refreshing as the perfume of this floral essence The atmosphere, which steals the fragrance from most toilet waters seems to have little effect upon the exquisite aroma which belongs par excellence, to this refreshing preparation, It contains, so to speak, the condensed breath of the most odoriferous blossoms of Tropical America, and its fragrance seems inexhaustible even by long contipued evaporation and diffusion. In this respect is resembles the Farina Cologne, and it is preferred to that more cost p-rfume in South America and the West Indica, where it is almost universally used.

EF Beware of Counterfeits; alw ye ask for the legitimate Mueray & Lanman's Florida Water prepared coly by Lanman & Kemp, New York. All others are worthless.

BE IT KNOWN

WHAT IS SAID BY ONE WHO HAS TRIED BRISTOL'S SARSAPARILLA.

Mest ra Devit a & Bolton, Druggists, Montreal :--

Gentlemen,-It is with the most grateful feelings that I give you the particulars of the cure off-cied upon me by the use of BR STOL'S SARSAPARILLA bought from you. A severe and painful Rneuma. tiem had troubled me for years, rendering my right aim almost useiess, and xtending across my chest and down my back made me unable to walk, and comparatively helpless, lesides much pain in the side, from what my family doctor called Liver D grase. Mr Kennedy my Leighbor, on whom the Bristol's Sarsaparilla produced almost a miraculous cure, advised me to try a bittle or two. I did eo: taking at the same time, as directed by you a couple of Bristol's Sugar coated Pills occasionally.

I am now entirely recovered free from pain of every kind, and feel as if I had taken a new lease of life. I can with confidence recommend the Sarsaparilla and the Pills to any one suffering with the same troubles.

SOMETHING THE WHOLE COMMUNITY SHOULD KNOW. The traveller, furnished with BRISTOUS SUGAR COATED PILLS, is street against those diseases of the stomach, liver, and bowels, common to all cli-mater. Tue first thing to be done, in c-se of a bilious attack, is to empty the bowels. Bristo.'s Sugar coated Pills do this rapidly, but not rudely. As they cleanse they soothe and heal There is an eminent principle in them that prevents the irritation which thorough purgation would otherwise create. None of the share, cutting, spasmodic pains, which accompany the action of mineral catharties, are ever experienced during their operation. They have no drawback, ei.her immediate or contingent, and leave every organ they influence in a healthy state For dyspepsia, piles liver complaint, si k herdsche suppression, vertigo, colic, and hear burn, they are the one thing needful, and no oth r known can supply their place.

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills.

Ayer's Cathartic Pills,

For all the purposes of a Lazative Med-

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but officient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have, and can show, thousands upon thousands of certificates of remarkable cures of the following complaints, but such cures are known in every neighborhood, and why should we publish then? Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscers to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which those Pills rapidly cure:—

Pills rapidly cure:-

Fills rapidly cure:—
For Hyspepsia or Indigestion, Listlessness, Languor and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.
For Liver Complaint and its various symptoms, Bilious Hendache, Sick Hendache, Junadice or Green Sickness, Hillous Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.
For Hysentery or Diurrhoen, but one mild dose is generally required.

dose is generally required.

For Rheumutism, Gout, Gravel, Palpitation of the Heart, Palnin in the Side, Rack and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints dismuser.

taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For Bropsy and Bropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus. There are numerous cases where a purgative is required, which we cannot enumerate here, but they suggest themselves to everybody, and where the virtues of this Pill are known, the public no longer doubt what to employ.

Ayer's Cherry Pectoral, For Diseases of the Throat and Lunca. such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so decally upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Group, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them. Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mustery over the disorders of the Lungs and Throat, that the most obstinate of them, under the Cherry Pectoral they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly sured by it.

tection from it.

Asthma is always relieved and often wholly lured by it.

Bronchitts is generally cared by taking the Cherry Pectoral in small and frequent doses. So generally are its virtues known that it is unnecessary to publish the certificates of them here, or do more than assure the public that its qualities are fully maintained. are fully maintained

VEGETABLE PAIN KILLER. MANHATTAN, KIRSAS, April 17, 1866. Gentlemen - . I want to say a little more about the Pain Killer I consider it a very valuable Medicine, and always keep it on hand. I have traveiled a good deal since I have been in Kan-as, and never without taking it with me. In my practice I naed it free'y for the Asiatio Cholera in 1849 and with better success than any other medicine. I also

used it here for cholera in 1855, with the same good

resuits.

Yours truly,
A. HUNTING, M.D. . . I regret to say to say that the Cholera has prevailed here of late to a fearful extent. For the last three weeks, from ten to fifty or sixty fatal cases each day have been reported. I should add that he Pain Killer sent recently from the Mission House has been used with considerable success during this epidemic. If taken in season, it is generally effec-

tive in checking the die was REV CHARLES HARDING.

Messrs Perry Davis & Son :- Dear Sire Having witness d tue beneficial effects of our Pain Killer i. several cases of Dysontery and Chairs Morbus within a few weeks past, and deeming is ... act of benevoleace to the suffering, I would most encerfully recommend its use to such as may be suffering from the aforementioned or sim lar diseases, as a safe and

effectual remedy.

REV. EDWARD K. FULLER. Those using the Pain Killer should strictly oberve the following directions: -

At the commencement of the disease take a teaspoonful of Pain Killer to sugar and water, and them bathe freely across the stumach and bowels, with the Pain Killer clear. Should the diarrhos and eramps continue, repeat

the dose every fifteen minutes. In this way the dreadful scourge m y be checked and the patient relieved in the course of a few bours. NB Be sure and get the gennine article; and it recommended by those who bave used the Pain Killer for the cholers, that in extreme cases the pa-
