**Mercantile Summary.**  
 It is reported that coal has been found on  
 the Five Mile River road, in Hants County Nova  
 Scotia.  
 The Russian budget for last year shows a  
 revenue of 625,972,000 roubles; ordinary expendi-  
 ture, 600,510,000, besides 408,000,000 for ex-  
 traordinary war expenses.  
 An estimate of the wheat crops of Hants  
 County N. S. makes its total 30,000 bushels,  
 giving 8,000 bushels to Falmouth township,  
 4,000 to Windsor and say 18,000 for other  
 districts.  
 The Toronto Street Railway has now a double  
 line of track on Yonge Street from its junction  
 with King Street to Yorkville, and gangs of men  
 are now tearing up the track on Queen Street,  
 preparatory to laying a double track there also.  
 SOME 1,350 tons of steel rails have been laid  
 on the New Brunswick and Canada Railway  
 between McAdam Junction and Woodstock,  
 N. B., extending over fourteen miles. By June  
 or July next steel rails will likely be laid as far  
 as Debec.  
 THE case which came up at the session  
 of the Court of Queen's Bench in Mont-  
 real, just closed, against Alexander Molson, for  
 having fraudulently appropriated money belong-  
 to some relative, stands over till the next term  
 of that Court.  
 AMONG the desirable tenants obtained for  
 their handsome new building, the Building and  
 Loan Society have secured the Equitable Life  
 Assurance Society, who have just removed from  
 Church Street to the suite of offices whose  
 entrance is No. 2 Court Street.  
 We learn that the crops on Prince Edward  
 Island are generally good, hay being over an  
 average, oats a good average, wheat the best  
 yield known for years. Of barley the islanders  
 have a lot to export. Potatoes are coming out  
 in good order, the quantity available for ship-  
 ment will probably reach two million bushels.  
 The want of steam communication between  
 island ports and those of Great Britain and the  
 West Indies is a great drawback, for to say the  
 least, shipments of potatoes by sail are very  
 risky.
