800 and 602 Hastings St., Vancouver, B.C.

Restful Reading

Yes, the long winter evenings can be made comfortable. I have two modern conveniences for use in the home, sick room, office or studio quite worthy of your inspection. They are the

"ADAPTA" TABLE

and the

Adjustable Reading Stand

for use with any chair, couch or cosy corner. For an Xmas gift they combine usefulness, comfort and originality. Let me show you.
