## Leonard Scott Publishing Co.'s PERIODICALS.

For deep research and erudition, for profundity of scholarship and wealth of intellect, they are unrivalled by any other serial publication of either Europe or America.

### NINETEENTH CENTURY.

No other journal numbers among its contributors so many brilliant thinkers and profound scholars. The most important changes in the thought of the times are submitted to searching criticism and review.

### CONTEMPORARY REVIEW.

The monthly contributions, by eminent writers, describing the contemporary life and thought of the leading nations of the world, give it an unique position among other journals, presenting an epitome of all that best deserves attention in the world of thought and action.

### FORTNIGHTLY REVIEW.

The greatest exponent of radicalism in England. Its editors and contributors have ever been noted as leaders of progress, and have formed a school of advanced thinkers, which may justly be cited as the most powerful factor of reform in the British Empire and elsewhere.

Each, \$4.50. Any two, \$8.50. All three, \$12.00.

### BRITISH QUARTERLY

While discussing all branches of modern thought, is particularly devoted to the consideration of the more recent theories in Theology and Philosophy. Its articles are characterized by a keenly critical spirit, and for fulness of treatment and justness of criticism it stands alone, in its special field, among the periodicals of the world.

### EDINBURGH REVIEW

Numbers among its contributors the greatest names that have moulded English thought for the past eighty years. While its policy admits the discussion of all questions, its conservatism is tempered with a liberalism that marks it as the INDEPENDENT REVIEW of the world.

### QUARTERLY REVIEW.

Its reviews cover all the leading issues of the day, and embrace the latest discoveries in Science, in History, and in Archaeology. Much space is devoted to ecclesiastical history and matters connected with the Church, thus making the Review invaluable to the clerical student, as well as of great interest to the general reader.

### WESTMINSTER REVIEW

Is notable for the latitude of its theological views, many of the most advanced of modern theories in theology having received in its pages their first authoritative support. A distinctive feature of this Review is its "independent section," containing articles advocating views at variance with those of its editors.
