

**Gratitude.**

"Allow me to express my satisfaction with your method, and also with the manner you have treated me while your pupil."—J. A. Evans, Islington, Ont.

"We never ask for testimonials. Gratitude prompts our students to send us kind words. Our method has made for us many friends in the Maritime Provinces, as elsewhere. There are still some readers of this Review who are not acquainted with us. This should not be. Every teacher should know something of the De Brisay Analytical Method of teaching languages. Our circular is free. Part 1, Latin or French, 25 Cts. First step in French, 50 cts. Part 1, Spanish or German, \$1. Complete courses by Mail, \$10.
