

6. The Government of the Successor State shall be exempt from the payment of the Italian public debt, but will assume the obligations of the Italian State towards holders who continue to reside in the ceded territory, or who, being juridical persons, retain their *siège social* or principal place of business there, in so far as these obligations correspond to that portion of this debt which has been issued prior to June 10, 1940, and is attributable to public works and civil administrative services of benefit to the said territory but not attributable directly or indirectly to military purposes.

Full proof of the source of such holdings may be required from the holders.

The Successor State and Italy shall conclude arrangements to determine the portion of the Italian public debt referred to in this paragraph and the methods for giving effect to these provisions.

7. Special arrangements shall be concluded between the Successor State and Italy to govern the conditions under which the obligations of Italian public or private social insurance organizations towards the inhabitants of the ceded territory, and a proportionate part of the reserves accumulated by the said organizations, shall be transferred to similar organizations in the Successor State.

Similar arrangements shall also be concluded between the Successor State and Italy to govern the obligations of public and private social insurance organizations whose *siège social* is in the ceded territory, with regard to policy holders or subscribers residing in Italy.

8. Italy shall continue to be liable for the payment of civil or military pensions earned, as of the coming into force of the present Treaty, for service under the Italian State, municipal or other local government authorities, by persons who under the Treaty acquire the nationality of the Successor State, including pension rights not yet matured. Arrangements shall be concluded between the Successor State and Italy providing for the method by which this liability shall be discharged.

9. The property, rights and interests of Italian nationals permanently resident in the ceded territories at the coming into force of the present Treaty shall, provided they have been lawfully acquired, be respected on a basis of equality with the rights of nationals of the Successor State.

The property, rights and interests within the ceded territories of other Italian nationals and also of Italian juridical persons, provided they have been lawfully acquired, shall be subject only to such legislation as may be enacted from time to time regarding the property of foreign nationals and juridical persons generally.

Such property, rights and interests shall not be subject to retention or liquidation under the provisions of Article 79 of the present Treaty, but shall be restored to their owners freed from any measures of this kind and from any other measure of transfer, compulsory administration or sequestration taken between September 3, 1943, and the coming into force of the present Treaty.

10. Persons who opt for Italian nationality and move to Italy shall be permitted, after the settlement of any debts or taxes due from them in ceded territory, to take with them their movable property and transfer their funds provided such property and funds were lawfully acquired. No export or import duties shall be imposed in connection with the moving of such property. Further, they shall be permitted to sell their movable and immovable property under the same conditions as nationals of the Successor State.
