I

The Ambassador of Canada to Belgium to the President of the Commission,
European Atomic Energy Community (Euratom)

CANADIAN EMBASSY

BRUSSELS, 6 October 1959.

Mr. PRESIDENT,

I have the honour to refer to the Agreement of today's date between the Government of Canada and the European Atomic Energy Community (Euratom) for co-operation in the peaceful uses of atomic energy, and in particular to article IX, Paragraph 1, dealing with reexports.

It is our understanding that the consent in writing mentioned therein is contingent upon such reexports being subject to a mutually satisfactory system of safeguards.

It is our expectation that the control systems of the International Atomic Energy Agency and the European Nuclear Energy Agency, when established, will prove to be satisfactory in this respect.

Accept, Mr. President, the renewed assurances of my highest consideration.

S. D. PIERCE,
Ambassador.

Mr. E. Hirsch

President of the Commission
European Atomic Energy Community (Euratom)
Brussels.
