

ARTICLE II

The second paragraph of Article 1, subparagraph VI, shall be deleted and the following substituted:

The word *surveillance* means that persons are not isolated, that they may move about freely, but that the sanitary authorities of the place or places to which they are proceeding are notified of their coming. They may be subjected in the places of arrival to a medical examination and such inquiries as are necessary with a view to ascertaining their state of health; and, in any territory where the competent Contracting Party thinks fit, surveillance may include requirements to report on arrival and afterwards at such intervals during continuance of surveillance as may be specified, to the Health Officer of the city, town, district, or place to which they proceed.

ARTICLE III

To Article 1 the following definitions shall be added:

VIII. The term *typhus*, *typhus fever*, or *exanthematous typhus* shall be deemed to relate only to epidemic louse-borne typhus.

IX. An *endemic yellow fever area* is a region in which yellow fever exists in a form recognizable clinically, biologically, or pathologically.

X. A *valid anti-yellow fever inoculation certificate* is one certifying that the bearer has been inoculated against yellow fever, with a vaccine and by a method approved by UNRRA, if there have elapsed:

- (1) More than 10 days and less than 4 years from the date of the inoculation.
- (2) Less than 4 years from the date of a re-inoculation performed within 4 years of the previous inoculation.
- (3) More than 10 days and less than 4 years from the date of re-inoculation performed after an interval of more than 4 years.

XI. The term *Stegomyia (Aedes aegypti)* shall be deemed to include *Aedes aegypti* and any potential mosquito vectors of yellow fever.

ARTICLE IV

Article 9 shall be deleted and the following substituted:

(1) All passengers travelling by aircraft on international flight shall, on or just before arrival at the point of final disembarkation, or, if required, at any aerodrome where the journey is broken, complete a Personal Declaration of Origin and Health.

(2) The Commander of an aircraft on international flight shall, on or just before the arrival of the aircraft at the first authorized aerodrome in the country of entry, complete an Aircraft Declaration of Health to be handed to the aerodrome authority on arrival, and may be required to produce certificates concerning sanitary measures which such Declaration states were undergone by the aircraft before departure or at stopping places in application of the 1933 Convention as hereby amended.

(3) Aircraft shall not be required to carry Bills of Health.
