Business of the House

Mr. Chevrier: I presume that Monday will be private members' day, as agreed?

Mr. Chevrier: Is there to be any indication now as to what we shall be taking up on Wednesday?

Mr. Green: Yes. The program will be as I announced last evening; Monday private members' day and Tuesday a one-day motion to go into supply.

Mr. Green: No. I am very sorry but I am unable to say this evening.

At six o'clock the house adjourned, without question put, pursuant to the order of the house passed on December 2, 1957.
