AIR TRANSPORT

**SUGGESTED COMMITTEE STUDY OF SAFETY REGULATIONS—
REQUEST FOR UNANIMOUS CONSENT TO MOVE MOTION
UNDER S.O. 43**

Mr. Dan McKenzie (Winnipeg South Centre): Mr. Speaker, under the provisions of Standing Order 43 I request the unanimous consent of the House on a matter of urgent and pressing necessity. This matter concerns the irresponsible and embarrassing attitude of Canadian airlines and ministry of transport officials toward the enforcement of air safety regulations.

● (1510)

In view of the fact that it has now been publicly disclosed that the apparent slogan governing the actions of Canadian airlines and DOT officials towards the implementation and enforcement of air safety standards is "safety doesn't sell tickets"—an attitude which implicitly endangers the well-being of the Canadian air travelling public—and because the federal Ministry of Transport has been reported as incapable of administering safety regulations and prefers to "look the other way" when these rules are ignored I move, seconded by the hon. member for Dauphin (Mr. Ritchie):

That this House do now authorize the Standing Committee on Transportation and Communications to inquire into and make recommendations on the implementation of Canadian air safety regulations, and that the minister be instructed to immediately take the necessary steps to improve this situation, with a view to ensuring the safety of the Canadian air travelling public.

Mr. Speaker: With all due respect to the hon. member, even giving him the benefit of the doubt, surely his description of the general situation as opposed to a specific incident of urgent and pressing necessity would disqualify his motion under the Standing Order.

MAIN ESTIMATES, 1975-76**REFERENCE OF ITEMS TO STANDING COMMITTEES**

Hon. Mitchell Sharp (President of the Privy Council): Mr. Speaker, I have a motion pursuant to Standing Order 59 which refers the estimates to the several standing committees of the House. It is a very long motion that has been in the hands of members of the opposition for a few days, and I believe is in the hands of the Clerk at the Table. Perhaps I might, therefore, avoid reading it and simply point out one or two changes of substance that might help the House.

[Mr. Cossitt.]

Mr. Speaker: Is it agreed that, as suggested by the President of the Privy Council, the motion be tabled as read and printed in *Hansard*?

Some hon. members: Agreed.

[*Editor's Note: The motion above referred to is as follows:*]
