## NOVA SCOTIA FISHERIES EXHIBITION

INTERNATIONAL DORY RACES AT  
LUNENBURG

**Hon. John J. Kinley:** Honourable senators, I rise on a question of privilege to call to your attention the fact that each year the Nova Scotia Fisheries Exhibition is held at Lunenburg. An outstanding event, the International Double Dory Race, was held today in the harbour of Lunenburg, and I am very happy to report that the Lunenburg crew won over the American crew. In the double dory race there are two men in each dory, and the Lunenburg crew was composed of Sonny Heisler, who has many times been a winner of this event, and Gerald Mossman, both of Lunenburg.

The Junior International Dory Race was won by a crew composed of Larry and David Swimm from Lockeport.

Lunenburg congratulates both its own boys and the boys from Lockeport. As one who has for many years been interested in the Nova Scotia Fisheries Exhibition, I should like to say that we Nova Scotians have always been proud of the skill and strength of our fishermen, and are glad to demonstrate again at this time that there are strong men in Nova Scotia.

I should mention that we were honoured by the visit of a ship of the United States Coast Guard. We like to beat the Americans, who are our friends from the New England States. I am sure there is a great deal of enthusiasm about this race. We like to be in friendly combat, because I think that next to us they are the best and if we beat the best we are out in front. I congratulate our boys, and I know that this international race will add to the lustre of our fishermen and our people generally in Nova Scotia. I am proud to announce this accomplishment to the Senate.
