WILSON TO ANNOUNCE TODAY PERSONNEL OF NEW CABINET CHOICES LITTLE IN DOUBT

Garrison of New Jersey, Houston of Missouri, and Lane of California Seem Assured of Portfolios of War, Agriculture and Interior Respectively as Washington Views It.

WASHINGTON, Mar. 3.—(Can. Press.)—The President-Elect Wilson will not send the names of his cabinet to the senate until tomorrow afternoon, authoritative information as to its personnel came from members of his official family, when he arrived today.

WASHINGTON, Mar. 3.—(Can. Press.)—The London morning papers congratulate the U.S. on the new president. The Morning Post, discussing at considerable length the problems facing America, says: "Woodrow Wilson comes to the presidency when the old days are over and a new era is approaching. Few American presidents have entered office so well equipped. Few have faced so many difficulties."

WASHINGTON, Mar. 3.—(Special.)—The house while in committee of the whole today considered the bill respecting the Canadian Northern branch lines in Saskatchewan and Alberta. This bill gives the company bonding powers to the extent of \$40,000,000.

British Press Congratulates

LONDON, Feb. 4.—(Can. Press.)—The London morning papers congratulate the U.S. on the new president. The Morning Post, discussing at considerable length the problems facing America, says: "Woodrow Wilson comes to the presidency when the old days are over and a new era is approaching. Few American presidents have entered office so well equipped. Few have faced so many difficulties."

DEBATE ON COST OF DREADNOUGHT

Opposition Showed Great Thirst for Information—House Sat on Into Early Morning.

OTTAWA, Mar. 3.—(Special.)—Before the orders of the day were called Hon. W. T. Crothers, minister of labor, in reply to a question asked by Hon. Mr. Emmerson, stated that the report of the technical commission would be ready by the end of the month.

The house spent the greater part of the afternoon and evening discussing private bills, not taking up the discussion of the naval bill until after 10 o'clock.

The opposition contented itself with cross-questioning the minister of marine in regard to the cost of every conceivable part of a Dreadnought. The minister maintained that ships could be built in England for one-half of the price they could on this side of the water.

HOMESTEADERS DECEIVED BY RAILWAYS

Western Members Allege That Settlers Are Often Misled by "False Promises" of Early Construction of Lines—No Announcement Yet on Nationalizing Telegraphs

OTTAWA, March 3.—(Special.)—The house while in committee of the whole today considered the bill respecting the Canadian Northern branch lines in Saskatchewan and Alberta.

Strong opposition was made to the bill by many of the western members, it coming out in the discussion which followed that it is the practice of many companies in the west holding charters to construct railways to induce people to take homesteads in the belief that the railway would immediately be built.

Hon. Frank Oliver, Mr. Carvell (Carleton, N.B.), Mr. Knowles (Moose Jaw), Mr. Turritt (Assiniboia), and many other members took part in the discussion.

Oliver's Denunciation. Hon. Mr. Oliver in scathing terms denounced companies holding charters who refused to start construction a reasonable time after they were organized. He suggested the taking away of their charters as a remedy.

Mr. Carvell (Carleton, N.B.), declared that many railway companies over-estimated the cost of construction. He said that in his opinion this pernicious practice should be stopped. Mr. Knowles (Moose Jaw) declared that the Canadian Northern intended to build a line from Moose Jaw to prove a nuisance to the town, but far enough away to be of no service. He thought railways should be compelled to go thru towns of the size of Moose Jaw.

When Ministers Travel

OTTAWA, March 3.—(Special.)—From a return tabled in the house this afternoon it appears that Hon. Col. Hughes, minister of militia's car "Rotten" was purchased from the Canadian Northern Railway at a price of \$700.00. Repairs and electrical fixtures, however, brought the total cost of the car to \$11,866.55.

NO FIXED RULE FOR ASSESSING

Commissioner Grant of London Points to Weakness of the Present System.

LONDON, March 3.—(Can. Press.)—That assessment is a matter of equity rather than fixed percentages, is the opinion of Assessment Commissioner Grant. Today he received a circular from the provincial secretary's department on assessing, and he points out the weakness of a hard and fast rule for fixing taxable values.

"The Assessment Act states," said Mr. Grant, "that land is to be assessed at its actual value and buildings added at such an amount as would be a reasonable value for the whole."

Manufacturers Favored. "Take a property having 100 feet frontage at \$100 per foot, \$10,000. The building stands in the middle of the lot, so hard to sell without spoiling the whole. In many instances this is the property that won't stand 25 per cent on the building."

"Business property can in nearly every case be gauged by its earning power. An assessor should be able to stand criticism on land values, but it is impossible to stand comparison of buildings. It is just a matter for his judgment to arrive at the value of the whole and the Assessment Act very wisely makes this provision."

PRESIDENT TAFT RECEIVES HIS SUCCESSOR

"One of the Happiest Days of My Life," is Taft's Description of Leave Taking at White House—New President and Wife Given Cordial Welcome.

WASHINGTON, March 3.—(Can. Press.)—President Taft's last day in the White House was one of his busiest.

As a working day it didn't last more than ten hours, but it was crowded with unusual events, full of incidents that fall to the man who sits in the White House and crowned with pleasures.

The president shook hands with several hundred citizens and officials of the government; received scores of telegrams from friends all over the world; signed his name to pile after pile of pictures and letters and held three receptions. He quitted the room he has occupied for four years in the executive offices with a smile and without a backward glance, and with many a pleasant recollection of the days he has spent there.

Mr. and Mrs. Taft were guests at a dinner given by Miss Mabel Boardman tonight. Altogether, as Mr. Taft told visitors today, it was one of the happiest days of his life, and the regret he may have had over things he was unable to accomplish was more than offset by the remembrance of the pleasant paths he has walked.

Colonel Spencer Cosby, chief aide to the president, was their escort, and the president had sent his own touring car to bring them thru the crowded thoroughfares. A few hundred persons gathered in front of the mansion, cheered when they recognized the next president and his wife.

FIVE THOUSAND SUFFRAGETTES BATTLED THRU HOSTILE CROWD IN STREETS OF WASHINGTON

Insulted White House Party.

WASHINGTON, March 3.—(Can. Press.)—A group of hoodlums gathered in front of the reviewing stand in which sat Mrs. Taft and Miss Helen Taft and a half-dozen invited guests from the White House. They kept up a fire of caustic comment. Apparently no effort was made to remove them, and evidently disconcerted, the White House party left before the procession had passed in its halting and interrupted journey toward Continental Hall, where a mass meeting was held.

SCOTT ACT IN BRANT COUNTY

Big Temperance Campaign is Planned at Secret Conference—Need Only Straight Majority.

BRANTFORD, March 3.—(Special.)—County-wide prohibition under the Scott Act is planned by local temperance forces here, according to an announcement made today. It is proposed to have the measure submitted in Brantford and Paris and through the entire county if the act renders it necessary, although plans thus far have been discussed in secret conference only.

The temperance party maintains that the rural sections of Brant Co. which are already dry, cannot be lost, as under the Ontario Act a three-fifths majority is necessary for repeal.

Police Were Defied by Mob and Women Were Subjected to Indignities Which They Hotly Resented—Indignation Meeting Followed Parade Which Was Successful Despite Drawbacks.

WASHINGTON, March 3.—(Can. Press.)—Five thousand women, marching in the woman suffrage pageant today, practically fought their way foot by foot up Pennsylvania avenue, thru a surging mob that completely defied the Washington police, swamped the marchers and broke their procession into little companies. The women, struggling stoutly along under great difficulties, were able to complete their march only when troops of cavalry from Fort Myer were rushed into Washington to take charge of Pennsylvania avenue. No inauguration has ever produced such scenes, which in many instances amounted to nothing less than riots.

Later in Continental Hall the women turned what was to have been a suffrage demonstration into an indignation meeting, in which the Washington police were roundly denounced for their inactivity and resolutions were passed calling upon President-elect Wilson and the incoming congress to make an investigation and locate the responsibility for the indignities the marchers suffered.

Had to Fight Way. The scenes which attended the entry of "Gen." Rosalie Jones and her "hikers" on Thursday when the bedraggled women had to fight their way up Pennsylvania avenue, swamped by a mob with whom a few policemen struggled in vain, were repeated today but on a vastly larger scale. The marchers had to fight their way from the start and took more than one hour in making the first ten blocks. Many of the women were in tears under the blows and insults received en route.

ETTOR BARRED FROM CANADA

Order Issued at Ottawa Results in Summary Deportation From British Columbia.

BLAINE, Wash., March 3.—(Can. Press.)—Joseph Ettore, a strike leader of the Industrial Workers of the World, returned to the United States today, having been taken from a train at White Rock, B.C. last Friday and deported on an order from Ottawa.

Ettore was kept under guard between trains by immigration officers, who reported that he refused to answer questions. He declared that he was a citizen of the United States on his way to Victoria to lecture, and that he could not be detained. He refused to permit his baggage to be searched. The order from Ottawa gave no reason for deportation except that Ettore was regarded as an agitator and as such he was not wished in the country. Ettore, since his acquittal at Salem, Mass., on a charge of murder, has refused to desert the Industrial Workers of the World, altho his family threatened to disown him.

Press.)—Sir Edward Grey, the British foreign secretary, presided today at a meeting of the ambassadors of the powers to consider Turkey's application for mediation for mediation, according to semi-official statements emanating from Sofia, the allies will not agree to mediation unless the Porte consents to surrender Adrianople, Scutari and Janina, and pay an indemnity. Unconfirmed reports are published in Vienna of an Albanian rising against Servian occupation of towns in Albanian territory. Fighting continues in the Janina district, where the Greeks claim small successes.
