This Company was incorporated by Act of the Parliament of Canada for the purpose of carrying on the business of Inland and Ocean Marine Insurance, more especially throughout the Dominion of Canada.

It proposed to do an extensive inland and comparatively limited Ocean Marine business. The large and continually increasing business of our Lower Ports and Inland Waters is daily demanding increased insuring facilities, which at present are wholly insufficient for the wants of the community. This want this Company—a strong home institution—proposes to supply.
