FRIDAY MORNING

Devoted Specially to the Interests of our Women Readers.

The housekeeping in the cheaper boarding an appearance of cleanliness in these cheap houses of every large city is a revelation boarding houses. But it is very frequently only an appearance, for a closer inspection reveals a different state of affairs. The living. A tour of inspection in some of cheap lace window curtains are nearly althe houses advertised as places where board ways clean and stiff, of course, with a view and lodgings are obtainable causes one to to outside appearances, but the carpets wonder that despair and desperation are ah, the carpets! If they fit closely al misery in such houses. The opening of the dust being raised and whirled door of one of the cheaper class of board-ling houses betrays an indescribably mixed which unfortunately is not "dusted" about, only to settle again on the floor, by this newcomer, and we would fall in which unfortunately is not "dusted" about treatment from the British 000 from the National Bank of Port Jervis.

Crown by the seditious conduct advocated by this newcomer, and we would fall in which unfortunately is not "dusted" about treatment from the British 000 from the National Bank of Port Jervis. bdor, that years of slovenly cooking must have created. Vegetables, meats and the tweets, with an admixture of stale tobacco, are all there, intermingled with the numising houses betrays an indescribably mixed which, unfortunately, is not "dusted" along our duty if we did not protest with all our opportunity to steal was given to me. I sweets, with an admixture of stale tobacco, obtain in many of these rooms, and the serious and the serious and the serious and the wooden beds bear tracings of many liquid appliances designed for the extermination takable smell of carpets and furniture that have been bought at innumerable auction of flat brown creatures which haunt the have been bought at innumerable auction of the supplier of t we all there, intermingled with the numistakable small of carries and furniture that appliances designed for the extermination in the possibility of the properties of the indiandy, who, poor soul, has perhaps little time to attend to he per perhaps little time to attend to he per perhaps little time to attend to he perhaps little time to attend to the perhaps little time to attend to he perhaps little time to attend the perhaps little time to attend to he perhaps little time to attend the pe

sickening effect upon the unfortunate applicant for admission to the boarding house boarding house. But for those who have not the applicant is a woman, she is not always looked upon with favor, for many beauty for much ugliness, the life of the always looked upon with favor, for many boarding house ladies refuse to take in women as lodgers. Asked her objection to women lodgers. Asked her objection to women lodgers, or "roomers," as they are called here, one dark-eyed, pale-faced lady.

Cheap boarding house must be intolerably that the writer of the treasonable article that the writer of the writer of the treasonable article that the writer of the tr pet, is infinitely preferable to an ancient on a par with the man who penned the all-over carpet, musty with dust and germs, pet, is infinitely preferable to an ancient the worst form of nanemia, said sharply that women like to poke about the house outside of their own rooms, which made trouble. Then "there was others as loved to come and sit in the kitchen when they get tired of their rooms, and, you know yerself ye can't git no work done if women will sit in the kitchen will be the title some will see the glimmer of a cheerful fire, which, had the glimmer of a cheerful fire, which, had they such a luxury in their own rooms, would have kept them there and far from the bustle of the kitchen. The appearance for fred lady who gave this as her reason for refusing women boarders was at once so forbloding and so tragic that we marry veiled much at the temerity of the "room-veiled much at the

velled much at the temerity of the "roomer" who would beard this ghastly faced lioness in her kitchen den on any excuse, or make a sitting room of it. That there is an antipathy on the part of nearly all landladies, first, second or third-class, to "take in" women boarders, is one of the first things which strikes the tearcher after a boarding house. The reasons for this antipathy are legion, but none of them are complimentary to the sex. "Men are complimentary to the sex "Men are complimentary to the sex "Men are complimentary to the sex "Men are complimentary to the suddenly opened doors, one's from the suddenly opened doors, one's from the suddenly opened doors, one's fruit fails for the inmates who are composite to live in such the suddenly opened doors, one's fruit fails for the inmates who are composite to live in such the suddenly opened doors, one's first to include the suddenly opened doors, one's first fails for the inmates who are composite to live in such the for the inmates who are composite to insuch the desires to leve in such the suddenly opened doors, one's first fails for the inmates who are composite to insuch the suddenly opened doors, one's first fails for the inmates who are composite to insuch the d

are complimentary to the sex. "Men are not always about the house," therefore they are much to be preferred. "Men ain't so particklar as women, that's why 1 pre-charming personality. She is very handfer 'em," snapped a stout lady with a some as well as striking in appearance temper to match; and, O, shocking! and wears her silvery hair brushed back "Women are always prowling about listening at doors," said a bony woman in a tone the dark grey eyes. Writing of her literand Not the Top Position.

Yokolama, via Victoria, B.C., Jan. 11.—A The sarve was myself. Through the throes of young housekeeping I was developing into a writer, doing both things at once, and unconsciously learning things that have been of priceless value to me ever since. Yes, I have grown-up children, all literary. Any one of them could collaborate with me on a book. My son is a newspaper man. My daughters are writers. It was bred in the bone. They take naturally to the ink-stand."

Nokohama, via Victoria, B.C., Jan. 11.—A strong protest is being made by an influential section of the Buddhists against the bill for the regulation of religions. The aim of the measure is the equality of all infortunate woman to the grave was the last maid whom she had employed.

Flying Paper on the Streets. A merchant complains to The World about the amount of flying paper and dust on the business streets, and he says it is largely due to the carelessness of shopted the much been of priceless value to me ever since. Yes, I have grown-up children, all literary. Any one of them could collaborate with me on a book. My son is a newspaper man. My daughters are writers. It was bred in the bone. They take naturally to the ink-stand."

She seems to have had in her father a which implied an utter lack of faith in her ary life, Marion Harland says that she be. Yokohama, via Victoria, B.C., Jan. 11.—A At the first cursory glance there is always

and."
She seems to have had in her father a very wise and broad-minded man, with views on the woman question away in advance of his time, for to him she gives the credit of her start in a literary career. "I Stiff in the South and Human well remember," she says, "how my father treated the subject of woman's work. Fifty El Paso, Texas, Jan. 11.—Advices from both to know something that will be of use to you, if necessity should arise." Such a sentiment in Virginia thirty years ago was unheard of. But it pleased us. My sister promptly replied that she would like to study music. But I remember that I wished to be an author. Even then I wanted to write, and I was not much over ten when I began to scribble poetry."
