RUMORED REPULSE OF JAPS IN A PORT ARTHUR ATTACK

Report From Russian Sources Makes Mikado's Men Lose Very Heavily -Not Believed.

Petersburg, May 23.—Foreign Minister Lamsdorff has received a message from the Russian consul at Chefoo, saying that the Japanese have made a land attack on Port Arthur, and that in doing so they lost 15,000 men killed or wounded. The Russian loss is placed at 3000

nen.

8t. Petersburg, May 23.—According to reports which have reached the hussian headquarters at Liaoyang from Chinese sources, the Japanese have made a land attack on Port Arthur, but have been repulsed with heavy loss. The truth of the report is questioned here.

tioned here.

London, May 23.—The Japanese landed at Takushan, report having been engaged in two scouting skirmishes, during which ten Russians were killed. In the first affair two Russians sians were captured, and in the other General Kuroki reports the capture of an officer and a man caught making a reconnaisance in the rear of Kuroki's army.

London, May 24.—The Daily News, minion to increase the woollen duties lows: says the move will demonstrate the value of preferential tariffs to a nicety. It is of value to the British woollen manufacturers to know that while they will be shot by 30 bullets the foreigner

Toronto Wife of a New Yorker Has Him Arrested on Charge of Bigamy.

On Sunday Harry Forgie and wife arrived in the city from New York. Last night Forgle slept in the cells there by Detectives Cuddy and Forrest, because the woman who came here with him as his wife, laid a charge of bigamy against him. He claims to be an electrician. His wife, or supposed wife, who says her name is Florence D. Hill, claims that he follows the races for a living, or a non-living.

if Forgie is a bigamist, says that she married him in Toronto two years ago, and has been living with him ever since. She furnished the means of support, if her story is true. A week ago she learned that he was a married man before he courted her and won her at-fections. When the cruel news came to her that she had been deceived, she

development and defence that sand development and defence that sand the coping stone on the solid structure of British political union. Without the definite co-operation of all parts of the commercial council is impossible, nor can Great Britain maintain its commercial supremacy single-handed or extend to the colonies and introduced their determination to quit in that event. It was felt, also, that the employes were taking an unfair advantage in bringing pressure to bear the Rideau rink. In the evenin, ite, it is the city.
