

Personality Counts in the Air

WAR in the air as it is waged to-day recalls the olden times, when knights rode forth to battle and won honor and glory by their deeds of personal heroism.

The life of an aviator is full of romance, action, adventure, opportunities for glorious achievement, everything that could stir the imagination of a valorous young man.

Men with nerve, courage and sound physique, are needed to maintain the supremacy of the air. There are hundreds of Canadians now training for commissions in the service.

Young men in good health, and of fair education, are invited to enroll as cadets. While training they receive \$1.10 per day.

Men who come within the provisions of the M.S.A. are eligible only after having joined their Depot Battalion, when they may, with the consent of their Commanding Officer, be discharged for re-enlistment in the R.F.C.

MONTREAL IS BEHIND IN CAMPAIGN FUND FOR OVERSEAS "Y"

Friction Between Overseas Chaplains and Y.M.C.A.

THERE ARE INSINUATIONS

Col. Canon Almond Charges Red Triangle Is Money-Making Concern.

MONTREAL, May 10.—For the first time in the history of the city's money-raising campaigns, one has fallen short of the goal desired. The failure is the local Y.M.C.A. campaign. There is, accordingly, great indignation among the Y.M.C.A. campaign workers, indignation among the executive of the association, and indignation among the majority of the city clergy.

These compose the one indignation party, and the other side is the Overseas Chaplains' Service, of which Col. (Rev.) Canon Almond, returned recently from the front, is director. Three meetings were held just before the Y.M.C.A. campaign was launched. These meetings were secret sessions of local clergy. No news was supposed to leak out, except the one resolution passed commending the work of the Y.M.C.A.

At the first of these meetings both Dr. John McNeil of Toronto and Col. Almond spoke, presenting it is understood, diverse views on many points. Col. Almond claims that all religious chaplains service, and that the Y.M.C.A. should confine itself to social work—giving away tea, cigarettes and chewing gum—as one distinguished city clergyman put it.

Col. Almond makes charges. It is said that at a meeting Col. Almond practically charged the Y.M.C.A. with cupidity, intimating that in selling in their cantons, and in the distribution of coffee, etc., they were undoubtedly a money-making institution. This seems also to be the view of some returned soldiers.

As one of them said today: "The Y.M.C.A. has opened their triangle hat on Dominion Square, and they are taking five cents more for three meals and a bed than the soldier receives a day."

When this circumstance was mentioned to one of the leading Y.M.C.A. workers, his reply was that it was a new movement, and it was expected that the charge for a bed would be reduced to 25 cents.

Chaplain Pick Clergymen. It is alleged, the director of chaplains' services has secured authority from the militia department at Ottawa to decide what clergyman shall or shall not go overseas.

It is stated in the local press that Col. Almond objected to a number of clergymen going to France at the invitation of the Y.M.C.A. "The fact is that the chaplains' services are parade services, which the men have to attend," said a local clergyman interviewed this morning. "The Y.M.C.A. services, on the other hand, are voluntary, and for reasons better left unspoken, the men prefer them."

The Y.M.C.A. campaign committee attempted to raise \$425,000 for overseas work and \$40,000 for local work from Montreal. It secured \$425,000. A strong committee is understood to be in process of formation for the purpose of thoroughly preparing the Y.M.C.A. viewpoint.

THE DAYS OF RECONSTRUCTION FOR ALL PALE, THIN PEOPLE

This Is the Season When It Is Most Necessary to Tone Up the System and Build Up the Blood and Nerves

Applied to health the expression "run down" means a condition in which some, or all, of the bodily functions are enfeebled. This is a condition which only too frequently follows the long indoor months of winter when people live and work in imperfectly ventilated houses, shops, offices and schools. If you find yourself at this season easily tired by slight exertion you need a tonic. If the appetite is poor or fickle, the digestion impaired, the nerves shaky or impoverished, if you are pale and easily worried, winter has left its mark upon you. No particular organ being affected, you must look for relief to the blood. It is only by enriching and toning up the blood that you can regain what you have lost during the past winter and at the same time put yourself in shape to stand the trying heat of coming summer. To build up the blood, tone and strengthen the nerves, increase the appetite and bring vigorous strength to weakened bodies, there is no medicine can equal Dr. Williams' Pink Pills. These pills actually make new, rich, red blood, which will make you feel better, eat better, sleep better, and work more cheerfully. If you are in need of a tonic, and most people are at this season, Dr. Williams' Pink Pills will not disappoint you.

COULD HARDLY WALK.

Mrs. J. McDonald Jun., Hay, Ont., says: "Some years ago I suffered greatly from anaemia, and as I did not realize the seriousness of the trouble I soon became a complete wreck. I neither ate nor slept well, and could not go upstairs without stopping to rest. At times I had an almost unbearable pain in my back and would have to remain in bed. I suffered almost constantly from a dull headache, and when sweeping if I would stop to pick up anything I would get so dizzy that I would have to catch hold of something to keep from falling. My eyes were sunken and my hands and limbs would be swollen in the mornings. I tried several kinds of medicine without benefit and my friends thought I would not recover. Then I began taking Dr. Williams' Pink Pills, and before long could see and feel that they were helping me. I gladly continued the use of the pills until I was completely cured and I cannot say enough in their praise, and I strongly recommend them to all run down girls and women."

SOME GOOD ADVICE.

Mrs. Alice Black, Amherst Beach, N. S., says: "I have received much benefit from the use of Dr. Williams' Pink Pills, and would advise all who need a medicine for a run down system to make use of them. In my own case I have found the pills do all you claim for them, and shall always have a good word to say for this medicine."

RUN DOWN AND NERVOUS.

Mrs. B. Wainott, Beaver Bank, N. S., says: "I was sick, run down and awfully nervous. The slightest noise would startle and annoy me. I suffered pains around the heart and every particle of color left my face and hands. I always felt tired, and slept poorly at night. I was so poorly that my friends thought I would not recover. I tried many medicines, but they did not help me. Then I read of Dr. Williams' Pink Pills and decided to drop all other medicine and try them. It was fortunate I did for in the course of a few weeks I found them helping me. I continued taking the pills for some weeks longer and they completely cured me. I earnestly advise every weak woman and girl to give Dr. Williams' Pink Pills a fair trial, and I am sure they will not be disappointed."

AFTER THE GRIPPE.

Mrs. Thomas Covart, R. R. No. 2, Bancroft, Ont., says: "Following an attack of grippe I was left very weak and miserable. My appetite was poor. I suffered from headaches, my skin was sallowness, and two boils broke out. I began taking Dr. Williams' Pink Pills, and had only used a few boxes when I felt as well as ever. They drove all the impurities from my blood, gave me a good appetite, and I have since enjoyed the best of health. I can recommend the pills to anyone suffering from impure blood or skin disease."

STOMACH TROUBLE.

Mrs. James Martin, R. R. No. 1, Perth, Ont., says: "I suffered greatly from stomach trouble, which was accompanied by severe pains in the side and around the heart. At times I was so bad that I vomited everything I ate, and even the medicine the doctor gave me. I grew weaker every day and would frequently have to lie down, and as the doctor was not helping me I was about discouraged. Then I saw Dr. Williams' Pink Pills advertised to cure the trouble and decided to try them. In a few weeks the pain had left and I could eat a little. I continued until I had used six boxes when I felt myself fully cured. In fact, my friends tell me I am a living advertisement to what Dr. Williams' Pink Pills can do."

A SERIOUS CONDITION.

Mr. Wilfrid Donald, West Flamboro, Ont., says: "Before I began the use of Dr. Williams' Pink Pills I was in a serious condition. I was not only badly run down, but my nerves seemed to be completely shattered. I slept badly at night, and got up in the morning tired as when I went to bed. I seemed to be on the verge of a nervous breakdown. At this stage I began the use of Dr. Williams' Pink Pills. In the course of a few weeks I felt much relief, and continuing the use of the pills they completely restored my health. I can now sleep soundly, eat well, and am enjoying complete freedom from the old nervous troubles."

Do not be persuaded to take a substitute. See that the full trade mark name, "Dr. Williams' Pink Pills for Pale People," is printed on the wrapper around the box. If you cannot get these Pills through your dealer, they will be sent by mail at 50 cents a box, or six boxes for \$2.50, by The Dr. Williams' Medicine Company, Brockville, Ont.
