Grand Gives Elaborate Presentation of New and Sensational Picture Play

The Management of the Grand Theatre Has Secured for the Week of December 20 the Newest Sensation in Picture Field, a Big, Spectacular, Much-Talked-Of Production and attain the same objec-Entitled "Madonnas and Men."

This attraction has the reputation of the being the most important thing of the kind ever done on stage and screen combined. Not only does it carry a company of real actors, lancers, slave girls, palaces, and what is described as a stupendous story "ends with a climax extraordinary."

The photoplay contrasts the amuse-each performance.

GRAND TRUNK RAILWAY SYSTEM.
Christmas Holiday Travel, 1920.
In connection with the above, and in order to take care of extra travel expected, the following extra sections of trains will be operated on December 24.
First section train No. 16 will leave Windsor 4:10 p.m., and leave London at 7 p.m., stopping at Ingersoll, Woodstock, Brantford (not Hamilton), Sunnyside and Toronto. his train will carry coaches, parlor car and dining car.
First section train No. 15 will leave Toronto for Detroit at 5:45 p.m., and leaving for Glencoe. Chatham, Windsor and Detroit at 8:57 p.m. This train will carry coaches, parlor car and dining car.
First section train No. 83 will leave Toronto for Detroit at 8:57 p.m. This train will carry coaches, parlor car and dining car.
First section train No. 83 will leave Harwich Township Council. There seems little doubt in town that Mayor Clunis will get a second term by ac-

horses, stage effects, etc., but it travels in a special car, and the expense attached to the presentation eclipses anything heretofore ever attempted in motion pictures.

The picture was given a "try-out" in Detroit four weeks ago, and it was immediately pronounced one of the biggest things ever accomplished in the cinema field. More than 80,000 people packed the Madison Theatre to see it. On its way back to New York, where the feature will be given a run at \$2 prices, it was shown in Toronto, where its Detroit success was repeated, and by popular demand was held over for the second week. During the Toronto engagement, overtures were made by the Grand management, to have "Madonnas and Men" stop in London a week, as it would not be much out of their way toward New York, and this super-race which shall rise afar, with "Madonnas and Men" stop in London a race lies in its women. His imagination is kindled by the prophesy of a super-race which shall rise afar, with magic cities and great wealth, because of honor paid to women. His better nature thus aroused, he springs into the arena to save the Christian girl. His father, the emperor, is convulsed with rage, and orders his guard to kill his own son, but dies before they can do so. The son becomes emperor, and saves both the girl and the fair name of his race by his manly defence of pure and example in costumes just as luring as those of "Capagne."

The prologue depicts the orgies of a Roman holiday in the Coliseum, when the emperor and his attendants make merry at the sight of dying gladiators and Christian maidens thrown to the lions. The cilmax of all is the charlot race of four snow-white Arabian steeds, driven across the stage by daring driven in a race that is said to beggar description. The horses are driven at breakneck speed.

The photoplay contrasts the amuse-

reary coacies, party car and the second term by acceptant of t clamation, as no other candidates have VESSEL SLOWING FILLING.

Havana. Dec. 18.—Reports from the steamer San Pablo, a United Fruit Company liner, which went aground at the entrance of Havana harbor last Tuesday evening, show the vessel is in a precarious position. It is said her hull has been pierced, and she is slowly filling. The crew of the San Pablo is still on board, but a launch from the Cuban cruiser Kuba is standing by to render assistance should a severe storm begin.

Vices by the mayor. Reeve G. F. Reycraft will again be a candidate. From all appearances the councillors may be persuaded to stand for another term. To get councillors in town it has been found for years necessary to use persuaded to stand for another term. With prospects of a busy year in the line of road improvement and street improvement, a good council is required. vices by the mayor. Reeve G. F. Rey-

MARTENS, ENVOY OF SOVIET GOVERNMENT,

States, was ordered yesterday by Secretary Wilson of the labor department.

The labor secretary, holding that Martens is an alien, a citizen of Russia, and a member of and affiliated with an organization advocating the overthrow of the United States Government by force, directed the commissioner-general of immigration to take the Bolsheviki agent into custody and to deport him to Russia at the expense of the Government of the United States. Mr. Wilson, in his order added that Martens should be "treated with the utmost courtesy and given the best available accommodations in transit."

Martens is expected by officials to be given leave to settle his affairs in the United States before the promulgation of the warrant of deportation.
