Sisterhood of St. John the Divine.
The 14th annual report of the Sisterhood of St. John the Divine, just issued, showing the state of the maintenance and endowment fund, the accomplishments of St. John's Hospital for Women, the Church Home for the aged, St. John's Mission House, the Bishop Bethune College, Oshawa, the elementary school and the Church workroom, testified that a vast amount of good may be accomplished in quiet ways.

The maintenance and endowment fund was inaugurated 25 years ago in preparation for the foundation of a religious community of women in Toronto, has grown remarkably, and it is anticipated that soon a sufficient income will be derived from this source to do away with annual collections. The fund is vitally necessary to the permanence of the sisterhood.

By means of the annual collections, and by this means only, the sisters are provided with an income, modest indeed when compared with modern social standards, but sufficient for their needs.

That \$2000 a year should clothe and feed and cover the incidental expenses of some 25 women is substantial evidence that their vow of poverty is no empty form.

All moneys collected year by year are added to the income required for the maintenance of the sisterhood, and more collectors are asked in order to keep pace with the growth and extension of Toronto.

These figures show the marked increase in this fund in the past ten years: 1898, \$554; 1899-1900, \$1121; 1901, \$1694; 1902, \$2351; 1903, \$3570; 1904, \$5320; 1905, \$5558; 1906, \$6473; 1907, \$4483; 1908, \$10,003.

The report of the hospital work for the past year shows the usefulness of this branch of the sisters' work. The number of patients, 222, is the largest in the history of the hospital—the collective days' stay reaches the large total of 6753; the deaths were only four—a very remarkable record when the character of the cases is considered—many of them involving surgical operations of extreme urgency. Twenty-one patients received free treatment for a period of 907 days.

Nine persons are now resident in the Bellevue House, which provides personal attendance to aged persons in declining years who are able to pay the cost of living.

The Gwynneth Osier Memorial Wing offers the same advantages to those who have little or no means of support. This branch of the home is assisted by a small grant from the city.

and the government. Twenty-four persons are thus taken care of—and the number could be doubled or trebled were there accommodation for them. Provision is made in both houses for married couples—a feature which is found in none of the other homes in Toronto.

St. John's Mission House was useful in bringing the needs of many mother and babies for the relief committee. The work was carried on under great difficulties, for the house, after 17 years, now stands in need of radical alterations and improvements to adapt it to the more thickly populated district which has grown up round it. It was not considered safe for residents last winter, therefore the work had to be carried on from the convent on Major-street.

This year it has been decided to make such alterations as will render the house thoroughly habitable and sanitary. The cost will be \$2500.

A small sum of money having unexpectedly come into the sisters' hands thru the sale of property in which they had a part interest, it was decided to use this towards the cost of alterations and it is confidently hoped that the balance may be secured by private effort. Donations for this object may be sent to the Rev. Mother Superior, St. John's Convent, Major-st., or to Mrs. Mitchell, 99 Bellevue-avenue.

Five pupils of the Bishop Bethune College, Oshawa, passed the conservatory examinations in singing and four in piano. Out of five pupils sent up for matriculation, four passed, two with honors. The school branch of the Women's Auxiliary sent subscriptions to missions in China and Japan and to the poor and poor Canadian missions. Twenty dollars was sent to the Pan-Anglican Thankoffering and help was given last year to the unemployed of Oshawa.

The elementary school for little boys and girls is continued at St. John's House, Major-street, and is well attended.
The church workroom has sent out 200 orders during the year, as well as several gifts to mission stations, one to the British Columbia coast.
Five handsome orders went to England.

A Perfect Mixer
A mineral water to be a perfect mixer requires a certain peculiar combination. Nature seldom provides so skillfully as she does in her grand natural workshop, the Laurentian Mountains, far removed from the crowded haunts of man, and very secretly 600 feet below the surface. It is there that radnor water is made by Dame Nature and gushes forth to be bottled under the most careful supervision, for the use of mankind in general and Canadians in particular. Drink radnor, the best of mixers.

THE DOCTORS SAID "THERE MUST BE AN OPERATION"

"Fruit-a-tives" Saved Mrs. McCready Untold Suffering and Almost Certain Death.

"Publish this for humanity's sake," writes Mr. C. McCready, Putnam, Ont., in his letter to the owners of "Fruit-a-tives." Physicians said that only an operation could save his wife's life. But again "Fruit-a-tives" proved its wonderful powers. The doctors were wrong—Mrs. McCready is to-day well and strong—and "Fruit-a-tives" have made friends of every one for miles around Putnam.
"Dear Sirs—My wife suffered for over a year from indigestion and bowels in trouble. Several doctors treated her for this trouble and advised her that only an operation would save her life, as they stated it was a tumor that was causing the trouble. The operation was to cost \$20 and, while she was debating in her own mind about being operated on, she was advised to try "Fruit-a-tives" which I bought for her from our local merchant. From the first box she improved, and after having taken four boxes she is completely cured and is now as well as ever.

"I decided that 'Fruit-a-tives' was the best remedy in the world, and it certainly saved my wife's life. She still takes one tablet every night, we also give them to the children with excellent results, and they have to thank 'Fruit-a-tives' for the fact that their mother is now with them, they fully expected she would be in her grave. Publish this for humanity's sake."

(Sgd.) C. McCready.
For Indigestion, Dyspepsia, Constipation and Biliousness—for all troubles due to defective action of Bowels, Kidneys and Skin, "Fruit-a-tives" is a certain cure. These tablets are made of fruit juices and tonics, are pleasant to take and quick to act. Trial size, 25c—regular size, 50c a box, or 6 for \$2.50.

CIVIC DEPARTMENT HORSES TO BE TAGGED

Dr. Sheard Makes Suggestion at Big Meeting in Guild Hall Last Night.

Young Women's Christian Guild workers have set their hearts upon having a big new gymnasium before very long, and have inaugurated a great campaign for Saturday, Nov. 14, the much heralded tag day.

A well-attended business meeting was held in Guild Hall, McGill-street, last night with Mrs. Jean Blewett in the chair. Dr. Charles Sheard, medical health officer, was the principal speaker, but Mrs. Chas. Robertson, Miss Henry and Miss Mitchell, also delivered addresses to make it perfectly clear to everyone concerned just what their duties were going to be. The arrangements are remarkably complete, and the 3000 tag will be as well captioned as any body of soldiers in their way.

Under her there are to be at least 51 captains, each one in command of a company composed of from 10 to 30 young ladies, each one of whom carries a looked box to receive the tag. There is to be no change made. With each contingent go two chaperons, so that the young ladies will be properly looked after while they carry on the pitiless hunt for victims.

In addition to the city, all the suburbs will be efficiently patrolled and the ladies who venture abroad on that fateful day can escape the tag, if the victims haven't anything small in the silver line that's their own fault.

In addressing the meeting last night Dr. Sheard expressed himself as being entirely in favor of the scheme because of the crying need for a suitable swimming bath for the ladies, and for a place where their physical welfare could be looked after by properly trained people. He advised them to go after every one and everything without fear or favor.

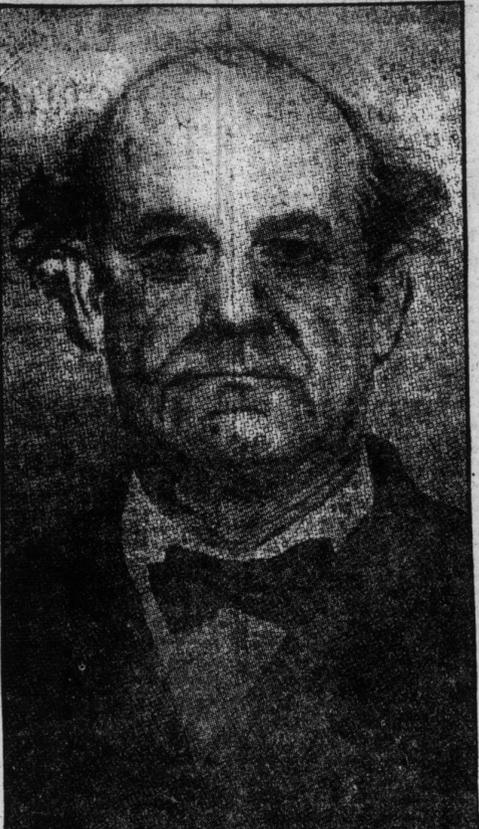

"How many horses have you in your department, doctor?" queried a lady back in the hall.
"About 150," returned the somewhat startled health officer.
"Well then," eagerly came from the fair one, "I guess we will tag every one of those."

"Go ahead," said the genial doctor, "the city won't pay for it. I will out of my own pocket. Then," he went on laughing, "you'd better send a deputization up to see the board of control and get their permission to decorate the horses belonging to the other departments, especially the firemen."

"How much had we better ask the city to pay for each," asked another timid one, "ten cents?"
"Ten cents," answered the doctor, "surely I wouldn't ask that much, you'd better ask enough you know, for you need a lot of money." I am heartily in accord with your scheme, all the way thru," concluded the speaker, "and if you don't raise enough on tag day to attain your object I'll do all I can to get you in touch with a lot of people who probably will make up the deficiency, the gymnasium is needed."

Hitchcock's Statement.
At 10.30 o'clock last night, Chairman Frank H. Hitchcock of the Republican national committee met the newspaper representatives in his rooms at Madison Square, New York City, and made the following statement:
"The returns speak for themselves. There seem to be no longer any doubts as to the result of the election. My estimate was correct. The returns have exceeded my expectations. The plurality in Indiana will be less than I expected. That in Illinois is far more than anticipated. And so it goes. The latest returns from Maryland indicate that we have carried that state by about 8000 to 10,000, and that is more than I believed it would give."

I predicted early in the evening that Gov. Hughes would be elected. To Mr. Hughes we owe much. As a campaigner he has helped wonderfully in the national contest. All of us here at headquarters were greatly interested in his fight. He has earned his victory and we are glad for him and grateful to him for the help he has given us."

The Fight for the Presidency.
The presidential campaign was keenly fought, and in the last few weeks became intensely bitter. William Randolph Hearst's disclosures, connecting the Democratic party with Standard Oil thru National Treasurer Haskell, and the opposition of the Hearst newspapers, which are strongly pro-Labor, undoubtedly injured Bryan and counteracted the influence which President Roosevelt's American Federation of Labor was expected to use to Bryan's advantage.

That Bryan was intensely in earnest in his fight was shown Monday night at Lincoln, Neb., where in his final peroration before a tumultuous crowd, he burst into tears.
"I have but one thing to rely on, the conscience of the masses, who are pleading for relief, the laboring men whose petitions have been rejected by the Republican party, the depositors whose savings are jeopardized by the carelessness of bank officials, and by the beneficiaries of the high tariff."
Mr. Bryan declined last evening to make a statement.
Judge Taft also declined to make any statement until the result in Ohio was made known. While estimates give him 100,000 plurality it is hardly better than guess work. The Foraker influence was utilized against Taft in his home state.

Results in New York State.
The great interest outside of that for the presidency was in the gubernatorial contest in New York State, where Governor Charles E. Hughes was opposed for re-election by Lewis Chenoweth, lieutenant-governor of the state in 1907. Chenoweth was his opponent. Since then he has become famed thruout the union as the governor who has tried to do what was right.
He antagonized a large and influential element by his campaign to prevent race track betting, and this act was declared, would ensure his defeat until the pluralities of his Republican opponent pled up in such a proportion as to leave no room for doubt.
He declined to issue a statement to-night.

RESULTS IN VERMONT.
WHITE RIVER JUNCTION, Vt., Nov. 3.—Complete returns from the State of Vermont give Taft 59,592; Bryan, 11,658, and Higson 715.
Taft's plurality is 27,934.
Four years ago Roosevelt had 40,577 and Parker 3800, a Republican plurality of 36,777.
The prohibition vote this year shows a gain for the entire state of 45 votes over four years ago.

FOELKER RE-ELECTED.
New York: Otto G. Foelker, the Republican state senator, who cast the deciding ballot which made possible the passage of Gov. Hughes' anti-race-track betting laws, was elected to congress to-day from the third district (Brooklyn).

COMPLIMENTS HITCHCOCK.
Cincinnati: Judge Taft at 9 p.m. sent the following telegram to Frank Hitchcock:
"I am delighted to hear the favorable returns from all parts of the country, especially New York, and I wish to express my gratitude to you for the work which you have done on behalf of the party and the accuracy with which you foretold the result, indicating a clear grasp and wonderful political knowledge of the situation.—(Sgd.) Wm. H. Taft."

MINNESOTA IN DOUBT.
ST. PAUL, Minn., Nov. 3.—While early returns indicated the re-election of Gov. Johnson by a plurality from 10,000 to 25,000, the late returns from the country districts have greatly modified this. The returns at 3.30 p.m. are too indefinite to forecast the result.

REPS. CARRY NORTH DAKOTA.
FARGO, N. D., Nov. 3.—National Committeeman James Kennedy, at 10 o'clock to-night said: "Taft carries the

feat. Not only is he re-elected, but Johnson, who was carried from a sick bed to cast the vote that "killed racing" is also re-elected. The latest advices from New York say:

Chandler Lost in the City.
"Governor Hughes won by over 57,000 the biennial battle of Highbridge, which was waged again to-day as the regiments of ballots were marshaled. Hughes came down to the city from up-state with an indicated plurality of about 121,000. Chandler's plurality south of Highbridge was approximately 68,000. The vote of two years ago was increased by about 150,000. Chandler surprised the Democratic leaders by an unexpectedly large vote in the rural districts, but lost tremendously in the City of Greater New York, where his followers had expected at least 100,000 plurality."

HUGHES' APPRECIATION.
ALBANY, N.Y., Nov. 3.—Commentary on the result of the election Governor Hughes said to-night:
"I am deeply gratified by the success of Mr. Taft and by our victory in this state, as indicated by present returns. To those who have labored so earnestly in support of my candidature I wish to express my warmest appreciation.
"With this expression of the confidence of the people I shall devote myself with renewed zeal to their service."

RESULTS IN ILLINOIS.
CHICAGO, Nov. 3.—The Republican national and state tickets gained a complete victory in Illinois, although the pluralities will probably fall short of those obtained by the party in the campaign of 1904. Taft has carried the state by approximately 170,000 votes.
Charles S. Deneen, Republican candidate for governor, ran far behind the national ticket, but has been elected by a plurality of about 100,000 over Adlai E. Stevenson, his Democratic opponent.

TAFT IS PLEASED.
CINCINNATI, Ohio, Nov. 3.—At 8.30 o'clock to-night, Judge Taft made this statement:
"I am very much pleased with the reports as they come in, indicating a favorable result for the Republican ticket. I am especially gratified at the definite information from New York, Connecticut, Illinois and New Jersey."

BRYAN DISAPPOINTED.
LINCOLN, Neb., Nov. 2.—Wm. J. Bryan to-night received at his home, Fairview, the returns which early told him that for the third time he had been defeated in the greatest ambition of his life. Confidant of victory to the very last, he was not prepared to believe that his cause was

terminated the influence which President Roosevelt's American Federation of Labor was expected to use to Bryan's advantage.
That Bryan was intensely in earnest in his fight was shown Monday night at Lincoln, Neb., where in his final peroration before a tumultuous crowd, he burst into tears.
"I have but one thing to rely on, the conscience of the masses, who are pleading for relief, the laboring men whose petitions have been rejected by the Republican party, the depositors whose savings are jeopardized by the carelessness of bank officials, and by the beneficiaries of the high tariff."

REPS. CARRY NORTH DAKOTA.
FARGO, N. D., Nov. 3.—National Committeeman James Kennedy, at 10 o'clock to-night said: "Taft carries the

state by 80,000. I contend that C. A. Leggett, Folker, and the other Republican state ticket is elected, with the state legislature 75 per cent. Republican."

BRYAN CARRIES BOSTON.
BOSTON, Mass., Nov. 3.—Bryan carried Boston in to-day's election by 387 votes. The total Bryan vote was 40,237, while Taft polled 39,850.
In 1904 Parker carried the city with 49,032 votes against 38,323 for Bryan's rival.

SWEET IN IDAHO.
BOISE, Idaho, Nov. 3.—Meager reports showing only the trend of the voting indicate that Taft carried the state by 20,000, and the election of the entire Republican state ticket.

CLEAN SWEEP IN CONNECTICUT.
NEW HAVEN, Conn., Nov. 3.—Taft's plurality in Connecticut will exceed 35,000. Lilley (Rep.), for governor, will have over 15,000 plurality. Republicans carry complete state ticket. All five Republican congressmen are re-elected.

IN OHIO.
CINCINNATI, Ohio, Nov. 3.—Notwithstanding the meagreness of the early returns from Ohio, they are estimated to give a fair indication of the result, although positive statement of plurality was impossible. All sections of the state, both city and county, were included in the first returns and the same ratio continued would give a plurality for Taft for president in his home state of anywhere from 100,000 up.

"DE-LIGHTED."
WASHINGTON, Nov. 3.—President Roosevelt to-night sent the following dispatch to Judge Taft:
"I need hardly say how heartily I congratulate you, and the country even more."
He also sent the following despatch to Republican Vice-Presidential Candidate Sherman:
"I most heartily congratulate you. The president sent the following to Gov. Hughes: 'Accept my heartiest congratulations for you add for the state.'"
The following was sent to Chairman Hitchcock:
"Accept my heartiest congratulations upon the great result which you have done so much to bring about."
The following was sent to Representative Loudenslager: "Accept my heartiest congratulations. (Signed) Theodore Roosevelt."
No statement was made by the president on the result of the election to-night.

ELECTION NOTES
The first complete precinct returns in California was received from North Colusa county, where the election was held. Voters in this precinct and their votes were President-Taft 2.
Complete returns from Saratoga County, N.Y., give Chandler 2465, Hughes 504.
The first county precinct in Nebraska returned, Ravenna, Buffalo County, showed a gain for Taft of 54 over that for McKinley eight years ago, and a gain for Bryan of 13 over his own vote four years ago. Bryan carried his own precinct 136 to 23.
"Uncle Joe" Cannon has been re-elected to congress by a majority of between 600 and 700.
The re-election of Seneca E. Payne, chairman of the ways and means committee of the house of representatives, means that Mr. Payne will organize tariff work of the next congress and will introduce the new tariff bill.

Taft did better than was expected in Georgia. In Clatham County he got 4800 out of 4955 votes.
Chairman Hitchcock of the Republican national committee at 8 o'clock received the following congratulations from James S. Sherman, the republican vice-presidential candidate: "Please accept my congratulations and thanks for the zeal and wisdom with which you have conducted the campaign, to-day successfully concluded. James S. Sherman."
The vote in the fifth election district of the Town of Oyster Bay, Nassau County, President Roosevelt: Taft 232, Bryan 14, Hughes 26, Chandler 17.
NIAGARA FALLS, N.Y.—Anthony C. Douglas (Dem.) elected mayor over O. W. Cutler (Rep.) by a vote of 10,000 to 9,000.
Amsterdam, N.Y., home of the Standard racing stables, voted Hughes 354, Chandler 252.
Chandler lost 164 towns out of 168 give Taft 78,866, Bryan 45,015; same towns give Hughes (Republican) for governor, 63,716, Robertson (Democrat), 54,140.
There were more telephone enquiries as to the result of the elections across the line than as to the result in our own federal elections a week ago. "Taft and Hughes" seemed to satisfy nearly everybody.
South Dakota Republicans claim to have elected their state ticket.
The first comment for publication on the result of the election was given to the Associated Press at 3.45 o'clock. With a broad smile, Judge Taft remarked: "Just say that everything looks favorable."
