In publishing the list of subscriptions for the church edifice at Grande Ligne, we desire to improve the opportunity to present our most sincere and heart-felt thanks to all the kind and generous friends who have so liberally aided us in this good work, and to assure them of our grateful remembrance of them at the throne of grace. The Lord, dear friends, reward you richly by filling your hearts with His love and that "peace which passeth all understanding." We are especially indebted, for substantial and liberal help to Mrs. R. I. Brown of New York City; the Grande Ligne Ladies Association of Brooklyn, N. Y.; the Grande Ligne Ladies Association of Montreal, P.Q.; and their honored officers more particularly; to Miss Helen Leslie of Dundas, Ont.; to Messrs. W. D. Stroud, A. A. Ayer, John McKergow, of Montreal; John A. Cameron of Ottawa, T. M. Thomson and James Leslie of Toronto, Geo. Whitfield of Iberville, Lawrence Barnes and J. M. Matthews of Burlington Vt., and others we should like to mention. For kind and useful advice we are indebted to Mr. and Mrs. G. B. Muir, Mr. William Muir, and Rev. T. Lafleur of Montreal. We take particular pleasure in mentioning also the very kind and generous gift of two beautiful and appropriate granite tablets placed in the church in memory of the two lamented founders of the Grande Ligne mission, the Rev. Louis Roussy and Madam Henrietta Feller, by Thos. Leeming, Esq, formerly of Montreal, and now of Brooklyn, N.Y. We also desire to acknowledge the gift of a pulpit Bible and Hymn book by Mrs. Beebe of New Jersey and a most beautiful Communion service from the ladies of Dr. Thomas' Church of Brooklyn, through Mrs. Dr. Thomas. We will not forget to acknowledge our indebtedness to the Baptist Church Edifice Society of Ontario and Quebec for the loan of one thousand dollars at the low rate of 4 % per annum.

In closing we take great pleasure in stating, that our house of worship, which we are enjoying so much, was dedicated on the 9th of October, 1884, free of debt, provided all pledges are redeemed, and so far, we have no reason to believe they will not all be met.

With gratitude to God, the author of all good and perfect gifts, and to our friends, we humbly pray that the thirty precious souls who are next Sabbath to be "buried with Christ in baptism" in the new church, and who very recently were converted to Christ, may be like the few drops before a copious shower.

A. I. THERRIEN, *Pastor.*
