#### Rudolph Balks at Salary.

New York, Mar. 21.—President Percy

Wilson of the Boston Braves was

this week on the double mission of

ringing the bell and talking to terms

with the interrupted hero.

Wilson, who was one of the

most successful players on the Boston

team, was asked to accept a big cut in

salary this season, but after having

year contract for a high salary

the Gaffney regime Dick refused

lay.

It is understood that Haughton offer-

ed the pitcher a conditional contract

at a salary of \$5,000 if he turned in

enough victories, but this does not quite

satisfy him, and he has not yet given

answer to the proposition.

President Haughton said that the

big trade would entirely with that

er, and until he makes a move the

for the trade of Jess Barnes and

ry Doyle is still in doubt.

Alexander Signs.

assadena, Cal., Mar. 19.—Grover

cland Alexander, the Philadelphia

her, who has been holding out for a

us of \$10,000 from the Chicago Na-

al League team, signed his contract

gy. The terms were not given.

U-BOAT FORCES SPANIARD

TO RETURN TO CADIZ

Cadiz, Spain, Mar. 22.—The Spanish

transatlantic liner Montevideo, which

sailed for New York on Monday, was

held up by a German submarine on

Tuesday and forced to return here. The

captain was made to promise not to

use wireless. He was then taken aboard

the submarine, where he was detained

while German sailors searched the Mon-

tevideo.

Gardener Will Live.

Atlantic City, N. J., Mar. 20.—Im-

provement in the condition of Pinky

Gardener, of Schenectady, N. Y., who

underwent operation of the brain in a

hosp for the middleweight wrestling title

with Mike Yoke, of Salt Lake City, the

champion, permitted his removal to his

home.

Referee George Fisher, of New

York, and Yoke, held by the police to

await the outcome of his injuries, were

released. George Fisher, who broke his

leg in a bout with Frank Rice, of Bos-

ton, lightweight champion, will be con-

finced to the hospital for several weeks.

Preaching recently, the Bishop of

London said he had just completed his

sixtieth year and was entering on the

last lap of his ministry.

Many people are kept in a state of

morbid fear of death, become weak,

worn and miserable through this un-

natural action of the heart.

To all sufferers from heart troubles we

would advise the use of Milburn's Heart

and Nerve Pills, which by their action

in strengthening the heart and regulat-

ing the beat remove all the distressing con-

ditions and impart vigor and vitality to

the system.

Mrs. Thomas Davidson, Mount Bry-

des, Ont., writes: "I have been a great

sufferer in the past with nerve troubles

and palpitation of the heart. I tried

several remedies, but without any good

results. My son came in one day and

advised me to take Milburn's Heart and

Nerve Pills. After using one and a half

boxes, I am fully recovered, and am in

a perfect state of health, thanks to your

valuable medicine."
