

THIRD WITNESS  
FOR PROSECUTION  
(continued)

- Q. 86 Do you know who they were?
- A. 86 I don't remember off hand, Sir.
- Q. 87 Will you tell the Court what conversation you had with the accused, Corporal Lee, in relation to the charges against the accused?
- A. 87 I warned Corporal Lee to be always alert and to not allow any fraternizing of prisoners of war with civilians nor allow his guards to fraternize with them. I was well satisfied when I left that Corporal Lee was carrying out his instructions the best, and I considered he was doing a very good job.

The Defending Officer declines to cross-examine the witness.

Questioned by the Court:

- Q. 88 What are the words you used when you talked to Corporal Lee?
- A. 88 First of all, when I arrived I shook hands with him, asked him how he was and how things were going. I was well satisfied with what he reported to me and he seemed to have things very well in hand and I thought he had things very well in hand.
- Q. 89 You mentioned "No Fraternizing". What words did you use when you told him that?
- A. 89 I told him: "You understand, no fraternizing with the prisoners, do not do anything with them other than the regular duties you have to do, and do not let the others fraternize."
- Q. 90 It was just a general warning?
- A. 90 Yes, Sir.

In the opinion of the Court and the Judge Advocate, it is not necessary to comply with R.F. 85(B).

The witness withdraws.
