EARNEST PLEA ON THE FIRING LINE Pulsebeats of the Warriors Shown by Tongue and Pen From Ocean to Ocean in Canada's Greatest Conflict.

FOR RECIPROCIT

SPEAKS AT WINNIPEG

Conservative Party-More

Candidates Nominated

Winnipeg, Aug. 29 .- A mass meeting

Premier Scott took as the keynote

of his address what he described as the

inconsistency of the Conservative

HON. WALTER SCOTT Hon. Richard McBride on his return from England, where it must be presumed he mixed only with the truly great of the British Isles, is reported to have said at several breathing spell points Refers to Inconsistency of across the continent that reciprocity is opposed by the best people in England. In view of the opinions of some prominent people quoted below we ask Mr. Mc-

Bride to define who are the "most in the interests of reciprocity and J. H. prominent" people expressing the Ashdown, the Liberal candidate, which opposition he alleges he reprewas held in the Walker theatre last sents. Read the names of those night, was remarkable for two thingswhom we quote and ask the Pre- a warm arraignment of partisan politics mier whom he mixed with when by R. L. Richardson and an earnest in England. The people have a plea for reciprocity by Hon. Walter right to know. Scott, premier of Saskatchewan.

PREMIER ASQUITH. Mr. Asquith, Prime Minister, defend-Mr. Asquith, Prime Minister, defend-ing the action of Canada in making the reciprocity agreement, said in the British House of Commons on February 9, 1911:

is increased trade, and whose member "When she had an offer from the "When she had an offer from the are largely Conservatives, he extended United States to lower the wall and the scope of his discourse to the trade United States to lower the want and open the door, was she to continue, in her own interest or in the interest of this country, or in any supposed inter-est of the British Empire, to refuse to her manufacturers the natural outlet for their products and the natural in- adian trade and opulence than all the let for the things which they need?" efforts of boards of trade since the first

Mr. Asquith, in the same address, board was formed. Increase of Canada's bore testimony to the care which the population under closely restricted Canadian government had shown to protect British interests. He said: trade was scored heavily as unsatisfac-tory. Previous experience was cited to "The agreement was a perfectly in- flout insinuations that reciprocity dependent agreement, entered into be- meant either annexation or any lessentween Canada and the United States, ing of the bonds which bind Canada to

in pursuance on the part of Canada of the Mother Country, R. L. Richardson, independent that fiscal autonomy which she has long enjoyed and on which nobody pro- while staunchly supporting reciprocity poses to trespass. Conclusions of the took a large portion of his time to dis various stages of the negotiations were parage the political system of partisan carefully watched by our British am- ship in the government and in exercisators, and who very properly kept his eyes on the special interests of British trade. I need not say it was not necesbassador, who was in constant com-ing the franchise. Mr. Richardson an-nounced that for 30 years he had failed sary for him to urge upon his Cana- their fathers, no matter where it led

dian colleagues the necessity of safe- them. guarding those interests. They were Mr. Ashdown also addressed the always most ready to accept and an- meeting for a full hour on statistical
