The exhibition commission passed a unanimous resolution asking that the government give the grant for the do minion exhibition in Halifax. A strong committee was appointed to push the claims of Halifax. The exhibition commission decided a a meeting tonight to hold next year' fair on September 13, continuing it fo eight days to the 21st. This is on week later than this year's dates. CHARLES E KNAPP'S CONDITION IS SERICUS HALIFAX, Sept. 14.—The condition of Charles E. Knapp, county clerk of Westmorland, who met with an accident on Tuesday night, was not im proved yesterday. He was uncor scious all day and suffered severa convulsions. The doctors entertain very slight hopes of recovery.	Last Evening – Jack Fairweather is Captain. A meeting was held in the Neptune Club rooms last evening for the purpose of organizing a senior football team for the coming season. J. H. A. L. Fair weather was elected captain, with F R. Campbell secretary. The club mem bers find that there is plenty of good material to choose from, and no diffi- culty is anticipated in selecting of strong team. The first practice will be held on the Shamrock grounds on Saturday at half-past two o'clock, am to this any players in the city are in vited. It is expected that as soon as the or ganization is complete and the team gets into shape games will be arranged with Acada, Mount Allison, and th U. N. B., home teams, and with th Halifax Wanderers. It is hoped, too that one of the Montreal clubs will send a team to St. John. On Saturday the Carleton and Trin ity teams will play either before of after the Neptunes practice. It was made a rule that no private cars should be attached, as they would interfere with the speed of so heavy a train. The minister of railways is the first to violate this rule, his car being attached to the Ocean Limited yester- day. The extent to which the minis- ter of railways and relatives and friends have taken to private cars in the last few months has been a great surprise to those who were accustomed to listen to his condemnation of con- servative ministers who occasionaly used such conforts in travelling. Then the use of a private car was an evid- ence of gross extravagance and Mr. Emmerson fairly wept tears for the poor workingman who was obliged to provide sustenance for these codish express train over the road that does not carry a private car, and they are ten times as numerous as under the conservatives.	nounced tonight that a contract had been signed for a new Arctic ship which he is to use in another attempt to reach the North Pole, and that he expects to start north next summer. The announcement was made at a dinner tendered by the American Geo- graphical Society to those in attend- ance upon the geographical college which is being held here this week Commander Peary who presided, de- livered an address and said in part: "Tonight I have the pleasure of an nouncing to you that the contract for my new Arctic ship has been signed and that her keel is being laid now This means that the expedition upon which I have been putting my energie- for the past two years is lifted ou of the realm of uncertainty and that if I am alive I shall start north again next summer in another attempt up on the North Pole. "It does not mean that I have all th money necessary, but it does mean that I have now until the first of next July in which to secure the additional funds necessary to fit out and equil the expedition. The ship will, I be lieve, be the ablest ship that eve pointed her nose inside the Arctic of Antarctic circle. My plan of cam- paign in a very few words is to force this ship to the north shores of Gran Land, taking on board the pick an flower of the Esquimaux with who I have worked and lived so long, an to start with the earliest returnin	River, while another held the left bank. "On August 30 and 31 the Japanese attacked our advance positions with great energy, but everywhere were re- pulsed with enormous losses. There was desperate fighting on our left flank and centre, accompanied by a number of counter attacks, resulting in bayonet fighting, and I was compelled to re- inforce the fighting line with the spe- clal reserves and the general reserves. During August 31 it could clearly be seen that a considerable force of Ku roki's army had crossed to the right bank of the Taitse River. Owing to attacks on our left on August 30 and 31, it was to be supposed that the main body of Kuroki's army had been tolo of to turn the left flank of our posi- tion and attack our line of communi- cation. In consequence I resolved to withdraw the advance troops to the main position and concentrate a large force and attempt to hurl Kuroki bael on the Taitse River. Only at certain points was this carried out success fully. At nightfall, undisturbed by the Japanese, we commenced the evac- uation of our advanced positions while already had rendered great service to weakening the enemy by enormou- losses. "Thanks to the sufficient number of bridges and the manner in which the roads leading to them had been lai- out, all the troops destined to take the offensive were safely on the right ban of the river on the morning of Sept."	though on the eighth day the attends ance was only \$27. Phoebon W., the Vest Newton horse, won the free-for-all race. The extent to which the minis- ter of railways and relatives and friends have taken to private cars in the last few months has been a great surprise to those who were accustomed to listen to his condemnation of con- servative ministers who occasionaly used such comforts in travelling. Then the use of a private car was an evid- ence of gross extravagance and Mr. Emmerson fairly wept tears for the poor workingman who was obliged to provide sustenance for these codish extraves.	nounced tonight that a contract had been signed for a new Arctic ship which he is to use in another attempt to reach the North Pole, and that he expects to start north next summer. The announcement was made at a dinner tendered by the American Geo- graphical Society to those in attend- ance upon the geographical college which is being held here this week Commander Peary who presided, de- livered an address and said in part: "Tonight I have the pleasure of an nouncing to you that the contract for my new Arctic ship has been signed and that her keel is being laid now This means that the expedition upon which I have been putting my energies for the past two years is lifted ou of the realm of uncertainty and that if I am alive I shall start north again next summer in another attempt up on the North Pole. "It does not mean that I have all th money necessary, but it does mean that I have now until the first of next July in which to secure the additional funds necessary to fit out and equit the expedition. The ship will, I be lieve, be the ablest ship that even pointed her nose inside the Arctic of Antarctic circle. My plan of cam- paign in a very few words is to force this ship to the north shores of Gran Land, taking on board the pick an flower of the Esquimaux with whow I have worked and lived so long, an to start with the earliest returnin light on the sledge journey across the central polar pack, utflizing thes Esq. aux entirely for the rank an	River, while another held the left bank. "On August 30 and 31 the Japanese attacked our advance positions with great energy, but everywhere were re- pulsed with enormous losses. There was desperate fighting on our left flank and centre, accompanied by a number of counter attacks, resulting in bayonet fighting, and I was compelled to re- inforce the fighting line with the spe- clal reserves and the general reserves. During August 31 it could clearly be seen that a considerable force of Ku rok's army had crossed to the right bank of the Taitse River. Owing to attacks on our left on August 30 and 31, it was to be supposed that the main body of Kuroki's army had been told off to turn the left flank of our posi- tion and attack our line of communi- cation. In consequence I resolved to withdraw the advance troops to the main position and concentrate a large force and attempt to hurl Kuroki back on the Taitse River. Only at certain points was this carried out success fully. At nightfall, undisturbed by the Japanese, we commenced the evace uation of our advanced positions which already had rendered great service to weakening the enemy by enormou- losses. "Thanks to the sufficient number of bridges and the manner in which the roads leading to them had been lai- out, all the troops destined to take the offensive were safely on the right ban of the river on the morning of Sept." "The enemy 'did not occupy our abar doned advance positions until the ev- euing of Sept. 1, when they opene an artillery fire upon Liao Yang."	though on the eighth day the attends ance was only \$27. Phoebon W., the Vest Newton horse, won the free-for-all race. The exhibition commission passed a unanimous resolution asking that the government give the grant for the do minion exhibition in Halifax. A strong committee was appointed to push the claims of Halifax. The exhibition commission decided a a meeting tonight to hold next year' fair on September 13, continuing it fo eight days to the 21st. This is on week later than this year's dates. CHARLES E KNAPP'S CONDITION IS SERICUS HALIFAX, Sept. 14.—The condition of Charles E. Knapp, county clerk co Westmorland, who met with an acc dent on Tuesday night, was not im proved yesterday. He was uncon scious all day and suffered severs convulsions. The doctors entertai very slight hopes of recovery.	Last Evening – Jack Fairweather is Captain. A meeting was held in the Neptune Club rooms last evening for the purpose of organizing a senior football team for the coming season. J. H. A. L. Fair weather was elected captain, with F R. Campbell secretary. The club mem- bers find that there is plenty of good material to choose from, and no diffi- culty is anticipated in selecting a strong team. The first practice will be held on the Shamrock grounds on Saturday at half-past two o'clock, and to this any players in the city are in vited. It is expected that as soon as the or ganization is complete and the team gets into shape games will be arranged with Acadia, Mount Allison, and th U. N. B., home teams, and with th Halifax Wanderers. It is hoped, too that one of the Montreal clubs will send a team to St. John. On Saturday the Carleton and Trin ity teams will play either before of after the Neptunes practice. WAILEWORKS FOR SUSSEX. SUSSEX, Sept. 14.—The town court cil committee on water and seweras has employed Gilbert Murdoch, civ engineer and deputy land surveyor fo New Brunswick, to take the levels of the different streams in the vicinity of Sussex with a view to bringing th water in for the use of the town. The announcement was made at a dinner tendered by the American Geo- graphical Society to those in attend- ance upon the geographical college which is being held here this week Commander Peary who presided, de- livered an address and said in part: "Tonight I have the pleasure of an nouncing to you that the contract for my new Arctic ship has been signed and that her keel is being laid now This means that the expedition upon which I have been putting my energies for the past two years is lifted ou of the realm of uncertainty and that if I am alive I shall start north again next summer in another attempt up on the North Pole. "It does not mean that I have all th money necessary, but it does meat that I have now until the first of nex July in which to secure the additional funds necessary to fit out and equil the expedition. The ship will, I be lieve, be the ablest ship that eve pointed her nose inside the Arctic of Antarctic circle. My plan of cam paign in a very few words is to force this ship to the north shores of Gran Land, taking on board the pick an for start with the earliest returnin light on the sledge journey across th central polar pack, utilizing thes Esq. haux entirely for the rank, an file of smy party." NEW YORK, Sept. 14.—New Yor rifiemen carried off first honors again today at a military target competitions	River, while another held the left bank. "On August 30 and 31 the Japanese attacked our advance positions with great energy, but everywhere were re- ulsed with enormous losses. There was desperate fighting on our left flank and centre, accompanied by a number of counter attacks, resulting in bayoned fighting, and I was compelled to re- inforce the fighting line with the spe- clai reserves and the general reserves. During August 31 it could clearly be seen that a considerable force of Kur roki's army had crossed to the right- bank of the Taitse River. Owing to attacks on our left on August 30 and 31, it was to be supposed that the main body of Kuroki's army had been told off to turn the left flank of our posi- tion and attack our line of communi- cation. In consequence I resolved to withdraw the advance troops to the main position and concentrate a larg force and attempt to hurl Kuroki back on the Taitse River. Only at certain- points was this carried out success fully. At nightfall, undisturbed by the Japanese, we commenced the evac- uation of our advanced positions which already had rendered great service to weakening the enemy by enormou losses. Thanks to the sufficient number of bridges and the manner in which the roads leading to them had been laid out, all the troops destined to take the of the river on the morning of Sept. 1 The enemy 'did not occupy our abar doned advance positions unici the offensive were safely on the right ban of the river on the morning of Sept. 1 The enemy 'did not occupy our abar doned advance positions unici the ev- ening of Sept. 1, when they opene an artillery fire upon Liao Yang. "I adopted the following plan of op- erations: Having crossed to the right bank of the river, the army had take up a position between the village to sykwantun and heights near the Yem it mines, which it was intended to ot	though on the eighth day the attends ance was only \$27. Phoebon W., the Vest Newton horse, won the free-for-all race. The exhibition commission passed a unanimous resolution asking that the government give the grant for the do minion exhibition in Halifax. A strong committee was appointed to push the claims of Halifax. The exhibition commission decided a a meeting tonight to hold next year' fair on September 13, continuing it fo eight days to the 21st. This is on week later than this year's dates. CHARLES E KNAPP'S CONDITION IS SERICUS HALIFAX, Sept. 14.—The condition of Charles E. Knapp, county clerk co westmorland, who met with an acc dent on Tueeday night, was not im proved yesterday. He was uncor scious all day and suffered severa convulsions. The doctors entertai very slight hopes of recovery. Scious all day end suffered severa convulsions. The doctors entertai very slight hopes of recovery.	Last Evening – Jack Fairweather is Captain. A meeting was held in the Neptune Club rooms last evening for the purpose of organizing a senior football team for the coming season. J. H. A. L. Fair weather was elected captain, with F R. Campbell secretary. The club mem bers find that there is plenty of good material to choose from, and no diffi- culty is anticipated in selecting a strong team. The first practice will be held on the Shamrock grounds on Saturday at half-past two o'clock, and to this any players in the city are in vited. It is expected that as soon as the or ganization is complete and the team gets into shape games will be arrange with Acadia, Mount Allison, and th U. N. B., home teams, and with th Halifax Wanderers. It is hoped, too that one of the Montreal clubs will send a team to St. John. On Saturday the Carleton and Trim ity teams will play either before of after the Neptunes practice. <b>WAILEWORKS FOR SUSSEX.</b> SUSSEX, Sept. 14.—The town court cil committee on water and seweras has employed Gilbert Murdoch, civ engineer and deputy land surveyor fo New Brunswick, to take the levels of the different streams in the vicinity of Sussex with a view to bringing th water in for the use of the town.
