The Provincial S. School association of N.B. will hold its annual convention this year at Woodstock, Oct. 11-13. The sessions will be held in the Reform Baptist Church. A most cordial invitation is extended to all pastors, superintendents, teachers and S. School workers, to be present at this convention. In connection with the convention there is to be held this year, for the first time, a pastor's conference on S. S. work. Some of the leading pastors of the different churches will give brief addresses followed by general discussion. The two phases of the work which will be discussed are:—The pastors' duty to the S. School, and how the pastor can promote the efficiency of officers and teachers.

Mr. W. C. Pearce of Chicago will preside at the discussion and render such aid as is possible. This will give the pastors of N. B. an opportunity for conference and will prove, we hope a means of blessing in arousing a greater interest in this work among the leaders of our churches. The conference opens on Tuesday at 11 a. m. and extends through the afternoon session.

The regular convention opens Tuesday evening, 7.30. Mr. W. C. Pearce, of Chicago, one of the most popular and powerful speakers on religious topics will deliver several addresses on the line of the teachers work. O. Excell of Chicago, regarded as the greatest leader of congregational singing in this country, will have charge of the music—one half hour of each session being given to this important subject. This will be one of the most helpful and inspiring conventions ever held in N. B., in connection with S. School work and we hope to see a great rally of all interested in this work.

Joy Succeeds Despair.

IN THE HOME OF MR. JOSEPH HILTON THOROLD, ONT.

His Daughter, Florence, Was all But Dead From Dropsy—Her Doctor Had Given Her Up—Dr. Williams' Pink Pills Were Then Used and To-day She is Well and Strong

From the Post, Thorold, Ont.

Everybody believes in a dreamy sort of way of the efficacy of a well and wisely advertised medicine, when the recorded cases of restored health are at a distance, but when a case comes up in the home town, when the patient is known to everyone, and when the cure is not only positive but marvellous the efficacy of the medicine becomes a fact—a decided thing. For many years the Post has advertised Dr. Williams' Pink Pills for Pale People, large quantities of them have been sold by the local drug stores, and many remarkable cures have been effected. One of these attracted the attention of our reporter and he investigated. Miss Florence Hilton the eighteen year old daughter of Joseph and Mrs. Hilton, living in the west part of the town was taken ill early last summer with dropsy, coupled with heart trouble. She was compelled to give up one duty after another and finally became unable to walk or to lie down. Her suffering was intense and medical skill did all that could be done. Florence however grew worse sitting in her chair day and night for five long months to get her breath and the parents despaired. At last the doctor gave her up and said further visits were futile. The poor girl's limbs were pitifully swollen and finally burst below the knees. She sat helpless and weak, grasping for breath and at times could not breathe at all only with the greatest difficulty. One night the neighbors came in and said she could not live till morning. But today she is alive and well, moving among her young companions a remarkable and miraculous contrast to what she then was. The reporter called one evening at the Hilton home, but Miss Florence was out visiting. The father and mother were in however, and freely told him of the cure, which they attribute entirely to Dr. Williams' Pink Pills. The first box was brought to her by her grandmother, who urged their use. Then Mrs. Hilton herself remembered that she had the previous winter been cured by Dr. Williams' Pink Pills of a slight attack of dropsy and also remembered the many cures advertised in the Post. She bought two boxes and Florence took them, three pills at a dose. In two weeks she felt a slight decrease in the pain in her limbs, and more pills were procured. For five months—five long pain laden months the weary girl had sat day and night in her chair; but now she began to feel the pain leaving her and to use her limbs re-

sume their natural size. Fourteen boxes of the pills were taken and her perseverance was rewarded. She rose from her chair; her former strength gradually came back; one by one her household duties were taken up again and when the Post representative called he was met by beaming faces and thankful hearts and a grateful readiness to give to the world the facts that had saved a bright young life and had brought joy instead of grief to a Thorold home.

In thousands of other homes, scattered over the length and breadth of Canada, Dr. Williams' Pink Pills have brought health and joy and gladness and in every home in the land where sickness and suffering enters new health and strength can be had through a fair use of this medicine. Remember that substitutes can't cure—they make the patient worse, and when you ask for this medicine see that the full name "Dr. Williams' Pink Pills for Pale People" is printed on the wrapper around the box—then you are sure you have the genuine pills. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams Medicine Co. Brockville, Ont.
