Friday a pantry sale will be held in the Dufferin Sample Rooms of which particulars will be found in The Children's Corner on this page. As the proceeds are for comforts for Canada's fighting men, any contributions of home-cooking will be thankfully received. The young people who have formed this patriotic organization deserve every encouragement.

The Canadian Club.

Judge McInerney presided at the meeting of the Canadian Club held yesterday at noon. The members were out in large numbers and listened to a fine address by Hon. Payson Smith on Industrial Education. MARRIAGES.

Bennett-Machum.
A very pretty wedding took place yesterday afternoon at 3.30 o'clock at Edinboro Hall, Westfield, the residence of Mr. and Mrs. E. R. Machum, when their eldest daughter, Elda Inch, was united in marriage to Capt. Roland V. Bennett, of Hopewell Cape. The house was tastefully decorated for the occasion, and the bride, who was given away by her father, was charmingly attired in white tulle, and carried a bouquet of white roses. Her sister, Marion, acted as bridesmaid and the groom was supported by his brother, Capt. George H. Bennett. The ceremony was performed by Rev. P. T. Bertram, in the presence of about forty guests, and the mother of the bride played the wedding march. After the ceremony refreshments were served by young lady friends of the bride. A large number of beautiful and costly presents were received by the bride, among them a cabinet of silver from the bride's parents, and a crown derby from the groom's father. The dinner set from the groom's father, Hon. Col. R. B. Bennett, K. C. M. P., Calgary. The groom's present to the bride was a handsome fitted travelling bag. They will spend their honeymoon in the west, and on their return will make their home at Hopewell Cape. The bride's travelling suit was of green tulle and she wore a white hat.

LOBSTER-EATING RATS

A LOCAL DISCOVERY?

Item Comes to The Standard on which More Information is Earnestly Requested.

The following was handed to The Standard yesterday for publication: "A lady purchased two lobsters at a local fish market on Tuesday evening, paying 25 cents for them. She carried the parcel to the depot where she paid 30 cents to have it sent to a friend in the country. It was impossible to ship the parcel that evening so it was laid aside with other packages for the following day. During the night an unknown 'friend' in the form of a rat devoured the lobsters, leaving the mere shells for the original consignee." The foregoing item is published without prejudice and with no knowledge as to its truth. Whether St. John rats will eat lobsters in the "whole shell" is a matter on which no member of The Standard staff can speak with authority, but we are all willing to learn. A. Gordon Leavitt, Curator McIntosh or any other member of the Natural History Society please write.

Suffered Constantly FROM HEADACHE.

To suffer from headache makes life miserable, and it takes a person who has been or is subject to headache to describe the suffering and agony that goes along with it. The dull throbbing, the intense pain, sometimes in one part of the head, sometimes in another, is caused by some disturbed condition of the system. The stomach may go wrong, the bowels become constipated, the blood may not circulate properly, but whatever the cause, the presence of headache clearly shows that there is something wrong somewhere, and unless the cause of the headache is removed, some serious trouble is very liable to assert itself.

The fact that Burdock Blood Bitters reaches the seat of the trouble, and besides the headache is due to its success in first relieving, and then permanently curing the cause of the trouble.

Mrs. Wallace J. Boyd, Milltown, N.B., writes: "Several years ago I was a constant sufferer from headache. I was run down, and nothing seemed to do me any good. I read of Burdock Blood Bitters, and decided to give it a trial. The result was marvellous. The headache stopped at once, and I feel better in every way since. I recommend it to all sufferers."

B.B.B. is the oldest and best known medicine on the market. It is made by the T. Millburn Co., and is manufactured for the past years by The T. Millburn Co., and is sold in every part of the world.
