## SHAMROCKS AND FATE CAUSE OF O'CONNOR'S SORROWFUL EXPRESSION THIS MORNING

Maples Had the Game Up Until Third, but Fate  
Rescued the Shamrocks—Score Ended 8-6—  
"Jobbie" Jerked Out of the Box in the Fourth—  
Shamrocks Batted Strong in Last Inning—Mc-  
Guire's Sensational Catch Hit of the Game.

The night that Villa and his band of  
of rebel forces attempted to seize the  
City of Mexico and set up a govern-  
ment against that of Carranza, had  
nothing on the excitement created last  
night when Whitley's horde attempted  
to catch Lobb of the Maples between  
second and third. With the exception  
of the left fielder the entire aggre-  
gation were chasing O'Connor's treasure  
between the bags. He resembled  
Adam's apple chasing up and down the  
throat of a thirsty man. The attempt  
proved fruitless as far as getting him  
out, but it furnished sufficient grounds  
for an argument, so it did not make  
much difference to Gibbons. As long  
as he can fight, whether it is with the  
ball or with his extensive vocabulary  
it is all the same. The umpire gave  
the decision on a close out to the  
Maples. From that on it was a case of  
"fight you beggars fight." This was in  
the last of the third inning when the  
Maples were leading 5-2. Apparently  
it set the Shamrocks on their ear for  
the last inning they piled up six runs,  
taking the game from O'Connor's party  
to the score of 8-5. Until the final in-  
ning the Maples had the game won.

"Jobbie" was discovered in this in-  
ning. Elliott started the run-getting  
epidemic by reaching first on Mc-  
Guire's error and overthrow. Now you  
can talk about baseball strategy inno-  
vated by the major leagues, but they  
can still learn a few things right here  
in the city. The Shamrocks had no  
pinch hitter to put up, so the subtle  
manager put "Shorty" Howard at the  
bat to wait for four balls. No person  
but the pitchers can realize what it  
means to try and throw strikes at this  
midnight of the quadrilateral. However,  
Percy thought he would play the role  
of a pinch hitter instead and he usually  
succeeds. Fate, that unknown quan-  
tity intervened and Percy was caught  
at first. It was a close decision and  
there was some talk of the runner  
purchasing a revolver last night to get  
even with his brother. Enquiries at  
the different hardware stores last  
night, however, found no foundation  
for this rumor.

Murphy got a hit in the fourth scor-  
ing Elliott. Gibbons anchored at first  
on "Dubby's" error. Murphy crossed  
the plate on McMurray's drive bringing  
the score up to four. This was the  
Maples but one to the good. Butler,  
who notched up two hits for himself  
last night, came through again with a  
mighty swing of the willow sending what  
Gibbons and McMurray over the line.  
With the score 6-5 excitement ran high.  
Harrington was jerked out of the driv-  
er's seat and the old warrior, Dubby  
Dever, crawled in. This was too  
Kelly and Butler crossed the plate and  
the game ended 8-5.

The Maples were unable to come  
back in the last inning and were forced  
to drag a defeat home with them. It  
was a game won and lost by the  
Maples. They put up a stiff fight and  
all honor to them. Last night's game  
demonstrated one thing clearly, viz.,  
that the Maples have two of the best  
outfielders in the league. Moore and  
J. McGuire will be hard to follow if  
they keep up the pace they started  
last night. On the edge of a cliff,  
where one false step would usher a  
mortal soul into eternity, McGuire  
hooked in a terrific drive of Murphy's  
which looked like a homer. The ap-  
plause was thundering.

A pinch hitter is quite common, but  
who ever heard of a pinch walker.  
Come on Cobb enlighten us.  
The way Billy Howard handled that  
angry mob would make a lion tamer  
sick.

Jack O'Connor says he is getting  
new white suits for the Maples—or  
does he mean they will wear the suits  
in which they were whitewashed by  
the Shamrocks, the first of the season.  
The collection could have been ta-  
ken up in a thimble last night, provid-  
ing coppers were hoarded.  
Gibbons played all over the field last  
night, and it looked as though he was  
going to umpire for awhile.  
Thistles and Maples tonight.

Pleasant Surprise.  
A large number of the friends of Pte.  
Stanley Groves called at his residence,  
147 King street east, last night, and  
tendered him a surprise party. Pte.  
Groves, who is a returned soldier, had  
the misfortune while on active service  
in France to lose his watch. During  
the course of the evening William  
Cooper presented to him a handsome  
gold watch to replace the one lost on  
the battlefield. Pte. Groves in a few  
words thanked the friends for the kin-  
dly thought which prompted their ac-  
tion and assured them that the gift  
would be a valued possession. The  
evening was pleasantly spent in games  
and music. Refreshments were served  
and the singing of the National An-  
them brought to a close a most enjoy-  
able evening.

How Prohibition Law  
HAS AFFECTED HOTELS

Smaller Number of Commer-  
cial Men Coming in for  
Sunday—Tourist Travel  
Expected to be Light.

Prohibition has now been in force  
nearly a month and a half and yester-  
day a Standard representative visited  
the leading hotels and enquired if the  
cutting out of liquor selling had re-  
duced to any extent the number of vis-  
itors to the hotels, and if they thought  
the enactment of the law would have  
any effect on tourist travel this sum-  
mer.

One of the hotel men made the  
statement that it had greatly dimi-  
nished the volume of travel so far as  
his house was concerned, particularly  
in the number of commercial men who  
come in from outside on Saturday and  
spend Sunday in the city. The men  
who were in the habit of doing this  
had, since prohibition was into effect,  
spent the Sunday in the town where  
they happened to be instead of coming  
to St. John, and the hotels were out  
of that much business.

Another said that while he did not  
know that prohibition had effected  
general travel, it had lessened the  
number of guests coming in to spend  
Sunday in the city.

All were of the opinion that tourist  
travel this summer would be excep-  
tionally light. This they attributed  
partially to the enactment of the pro-  
hibitory law which they claimed would  
have a tendency to send trade to Mon-  
real and Quebec rather than to St.  
John, but the big factor they thought  
in keeping down tourist travel would  
be the immigration regulations and  
the fact that both the United States  
and Canadian governments were keep-  
ing such a close watch on the young  
men of military age. Those who were  
over the age did not care to go to the  
necessary trouble to get passports and  
would spend their holidays at home  
vacation places. One hotel man said  
he thought this summer would be like  
the first year of the war, when people  
thought they had to have passports,  
and stayed at home rather than go to  
the trouble.

Dog Licenses Issued.  
So far the number of dog licenses  
issued for this year is 681. The double  
rates of \$2 and \$4 will go into effect on  
July 1. There are more than 1,200  
dogs in the city.

Milburn's Heart and Nerve Pills  
are the only remedy that can give  
prompt relief and effect a complete  
cure in cases of such severity.

They strengthen and invigorate the  
heart, so that it beats strong and regu-  
lar, and tone up the nervous system  
so that the cause of so much anxiety  
becomes a thing of the past.

Mrs. M. O. McCready, Wapella,  
Sask., writes: "I am not much of a  
believer in medicines, but I feel that  
it is only right for me to let you  
know what your wonderful remedy  
has done for me, and in a very short  
time, too, I had suffered terribly with  
my heart for nearly ten years, could  
scarcely do any work and would nearly  
smother at times. I had many reme-  
dies, some only relieving me for a  
time. I got a box of Milburn's Heart  
and Nerve Pills and felt so much bet-  
ter that I kept on using them, and  
can truthfully say I feel like a new  
woman."

"I would advise anyone with heart  
trouble to use them."

Milburn's Heart and Nerve Pills  
are 50c. or three boxes for \$1.25, at  
all dealers or mailed direct on re-  
ceipt of price by THE T. MILBURN
