BROOKLYN NATIONALS CAPTURED SECOND GAME IN WORLD SERIES

Large Crowd Witnessed Snappy Game Yesterday—Cleveland Indians Were Shutout, While Robinson's Players Scored Three Runs—Little Betting on the Games.

New York, Oct. 6.—In a pitching duel between the leading hurlers of the National and American Leagues, Burleigh A. Grimes, Brooklyn's spit ball ace, today shut out Cleveland 3 to 0 in the second game of the world's series at Ebbets Field. His ability to hold the Indians in check when his would have meant runs, marked his superiority over James C. Bagby, whom Manager Speaker selected to add a second game to the Cleveland string. The victory which placed the Dodgers alongside the Speaker's Indians was due almost entirely to the excellent pitching of Grimes, who had the heavy hitting representatives of the junior league baffled throughout the game, so far as consecutive bunting was concerned. With the exception of the eighth inning when Grimes temporarily lost sight of the home plate, Cleveland, never appeared in the light of a serious contender. The inability of the Indians to connect with Grimes' slants when his would have meant the scoring of runs, is attested by the fact that the Cleveland clan got 14 runners on the bags, of whom ten were stranded and four retired by subsequent plays. The Indians were not without repeated opportunities to score. But in every emergency the Brooklyn minstrel ball team met the emergency with a mastery of location of sharp breaking slants, or slow breaks, which cut the corners of the plate, or shot in close to the body of the batter, with the result that seven hits of the invaders were so scattered as to be useless in run producing.

Bagby Not Effective.

Bagby was not as effective in the box for Speaker's team as Cleveland in the opening game, or as his opponent Grimes, although he delivered less pitches than did the winning hurler. The Dodgers reached his offerings effectively when runners were on bases, as compared to the Indians, for of the ten Brooklyn batters to reach first, three scored, three were retired and the remaining four left the pitching analysis shows that the winners scored three runs on seven hits scattered through six innings, while Cleveland with an equal number of swats was unable to send a run across the plate in nine innings. Uble, who replaced Bagby in the seventh session, proved more of a puzzle to the home combination, the Robins going out on strikes or flies in order during the two periods in which he officiated.

No Sensation.

The contest, aside from Grimes' power to puzzle the winners of the American League pennant at critical times in the struggle, was as devoid of sensational features and color as was the initial battle yesterday. Speaker pulled off another sensational catch in the fourth inning when he raced far over into Jamieson's territory and pulled down Kilduff's long drive. Right fielder Griffith for Brooklyn started with a catch off the wall in the seventh when he captured Sewell's savage, smash in a manner somewhat similar to his thrilling handling of Speaker's drive

National Commission showed that in both attendance and receipts the figures fall below those of Tuesday. The paid attendance was 22,543 and the receipts \$76,164. This makes total receipts for the two days \$155,213. The division of this money for the two days follows:

Ten per cent. to the National Commission, \$15,521.30; sixty per cent. of balance to players' pool, \$45,616.02; remainder to clubs, \$35,075.68.

The players share in the receipts of the first five games and their pool is divided 75 per cent. to the players of the team participating in the world's series and 25 per cent. to the players of the teams finishing second and third in the National and American Leagues.

Pitching Analysis.

The complete pitching analysis of the game shows that while Grimes, in the victor's role, threw the ball up to the Cleveland batters 130 times in nine innings; his two opponents, Bagby and Uble, had a total of 95 for eight innings, of which Bagby threw 69 in six and Uble 26 in two. In the eighth inning, Grimes, had trouble in locating the plate, when he hurled the sphere 25 times, a record for the present series. Of these pitches, 14 were balls and three men walked to first, but Cleveland failed to take advantage.

Griffith added to his record as a timely hitter in the fifth when his single to short sent Olsen home with the third and final run of the game. The Brooklyn shortstop got on by connecting with one of Bagby's fast ones for a single. He advanced to the midway while Johnston and Bagby were disposing of the former's brother, and from that point completed the circuit on Griffith's hit.

The attendance, despite an improvement in the weather conditions, did not equal the standard set in the opening game. The sky was overcast when Grimes served up his first pitch, a strike on Jamieson, and there was little wind to disconcert the fielders. Although the sun cast only occasional rays on the diamond, the air was warm and without the nipping chill which accompanied Cleveland's victory yesterday. Still there were scattered vacant seats singly and in pairs, in both the lower and upper stands. The spectators, as a whole, appeared to view the struggle with apathy, only occasionally giving vent to a concerted roar of approval or encouragement. There was an utter lack of team rooting, while the songs and music, which have made other world's series conspicuous from a vocal standpoint, were again missing.

Cold Weather At Grand Circuit

Stake Event for 2.08 Pacer Went to Canadian Mare, Princess Mary.

Lexington, Oct. 6.—Cold weather out down the attendance at the Grand Circuit meeting here today. The stake event, the Cumberland for 2.08 pacers, went to the Canadian mare, Princess Mary, driven by her owner, Vic Fleming. The principal contender was another Canadian-bred pacer, Calgary Earl, now owned by Robert Burgess, Winona, Minn.

One of the features of the day was the driving of the local boy, Ramsey Macey, who won the 2.11 trot with Dagastan, giving him a new record of 2:07 3/4 in the second heat, while at the close of the second heat of the 2.19 trot he stood first with Hobnob, another son of Siliko. Dagastan made a break in the opening heat, which went to Black Diamond. In the succeeding heats, however, he had little difficulty in winning. Black Diamond, winner of the first heat, was distanced in the second.

The unfinished 2.14 pace was easy for Trampas. The 2.10 pace went to the Pennsylvania mare, Hazel, to Black Diamond. In the Whitehead stable, bested her in the first heat. Loyal W., the favorite, could not connect, second in the second heat being the best he could do.

The feature performance for the day from a time standpoint was that of the green mare Galypud, which trotted against time in 2:03 3/4. She is the property of Fred Cline, Indianapolis, and was driven by Matt Wilson. An offer of \$25,000 was refused for her shortly after her performance.
