Afflicted with Erysipelas was a second state of the For Ten Years.

says :-- " It is now abou Read wh ce I was cured of a terrible two years rysipelas, with which I had attack cted for about ten years. I had heen a tried almost everything, including meditine from several doctors, but could get no relief. I had given my case up as less, but I procured five bottles of dock Blood Bitters, and it completely tured me. In fact, the cure has been permanent. It is now two years since I took Burdock Blood Bitters, and I have not had the slightest sign of the disease returning. I fully believe that your wonderful remedy has taken it so completely out of my system that I shall never be bothered again with it. I have the greatest of faith in Burdock Blood Bitters."
