# COMMITTES EXPEC A LARGE ATTENDANCE

Are Making Arrangements for the Boys' Work Conference to Be Weld in This City.

Much interest is being taken in the city and throughout the province in the approaching Boys' Work Conference being organized under the joint management of the Y. M. C. A. and the Provincial Sunday School Association. Committees have been appointed and are actively at work arranging programme, billeting of delegates and other necessary details. Rev. W. A. Ross, general secretary of the S. S. Association, and Taylor Slatten and other Y. M. C. A. representatives have been visiting several centres through the province in the interests of the conference.

Every mail this week brings enrollment cards and already forty-four names of delegates have been received from outside St. John representing the Sunday schools in Northumberland, Westmorland, Charlotte, Queens, Sunbury, York and Carleton counties. It is expected that the enrolment from the province will total one hundred and that this will be duplicated in the city itself.

The special speakers at the conference will include Rev. I. S. Nowlen, of Wolfville; Rev. E. W. Halpenny, of Toronto, Bev. W. A. Ross, of Moncton; Messrs. A. S. McAllister, of Halifax, and Taylor Slatten, of Toronto.

A Boston despatch Monday said:
