N.B.—All sentences of Suspensions and Expulsions from the Order, must be taken from the Primary Lodge to the District, and if there confirmed, thence to the County for confirmation, and be entered on the County Return, which should be sent to the Grand Secretary before the Annual Meeting of the Provincial Grand Lodge, in order that the same may be laid before the proper Committee, otherwise they will not be entertained by the Grand Lodge. Great caution should be used in spelling the names of suspended or expelled persons correctly, and writing all names and numbers legibly so as to avoid mistakes.
