

Knox Church Managers' Annual Report.

For the Year Ending December 31st, 1894.

THE Board of Managers in respectfully submitting their Annual Report for 1894, are glad that by the good hand of God they have again to report well marked progress.

With the balance on hand from last year, \$416.05, the receipts for the year from seat rents and collections amount to \$4707.95, and the expenditure, including \$1000.00 in full of final manse settlement, \$300.00 paid on principal of Mortgage, and \$343.15 on repairs, mostly of a permanent sort, as drains, ventilators, rebuilding well and chimney, renewed joists and flooring, and the straightening and rebolting of church crest; leaves the balance on hand at the end of the year, \$39.99, with the bill of \$350.00 in the financial statement and about \$100.00 interest as contra to the arrears outstanding at the end of the year, amounting to \$1148.55, which arrears have been reduced at this date to \$836.80, and the bill of \$350.00 has now been paid.

Comparing the amount of our indebtedness on the principal of the Mortgage balance against the church property as it stood a year ago, \$3800.00, with what it is now, \$2600.00, the difference in our favor is \$1200.00, and to this adding the sum in bank at this date to credit of Mortgage account, \$440.00, it reduces the balance still to be received from volunteers and subscribers to \$2160.00, ere we can call upon you to jubilate with us over the full redemption of the church property from debt.

The ushers for 1894 did their duty well and are electable.

The managers retiring this year are James Dow, Duncan Stewart and John McIntyre.

J. W. BROWN,
