MR. P. H. MCHUGH  
108 Church Street, Montreal.  
December 10th, 1917.

"I was a great sufferer from Rheumatism for over 16 years. I consulted specialists, took medicines, used lotions; but nothing did me good. Then, I began to use 'Fruit-a-lives'; and in 15 days, the pain was easier and the Rheumatism was better. Gradually, 'Fruit-a-lives' overcame my Rheumatism; and now, for five years, I have had no return of the trouble. Also, I had severe Eczema and Constipation, and 'Fruit-a-lives' relieved me of these complaints; and gave me a good appetite; and in every way restored me to health." P. H. MCHUGH.

Pills for Nervous Troubles.—The stomach is the centre of the nervous system, and when the stomach suspends healthy action the result is manifest in the disturbances of the nerves. If allowed to persist, nervous debility, a dangerous ailment, may ensue. The first consideration is to restore the stomach to proper action, and there is no readier remedy for this than Parnette's Vegetable Pills. Thousands can attest the virtue of these pills in curing nervous disorders.

When asthma comes do not despair. Turn at once to the help effective—Dr. J. D. Kellogg's Asthma Remedy. This wonderful remedy will give you the aid you need so sorely. ### NEWBURY

The Newbury-Mosa Women's Institute met in the hall last Thursday and picked 16 boxes for our overseas boys. The visit of the institute to Bothwell has been deferred a week later, for Tuesday, July 23rd.

Mrs. Hammett is in receipt of the following acknowledgment from the Prisoners of War Department in London, England, which needs no comment:—

Dear Madam,—I herewith enclose receipt for 11-84 which you have sent for Pte. Vernon Gorst from the Newbury Women's Institute.

As the head office of the C. R. C. S. 56 Church St., Toronto, is now arranging for all adoptions from Canada, we have credited Pte. V. Gorst with this money and have written to Toronto telling them that we have done this and giving them your address as having kindly contributed to the boys.

Will you kindly in future send all money direct to them.

I think that the ladies who are worrying about the prisoners not receiving what is due to them would feel quite differently if they could see the thousands of acknowledgment cards which come into this office weekly. Some days we have received as many as 1,000 cards in one day. As these cards are placed inside the parcels, the men must get their parcels in order to get the cards.

We have also the evidence of many escaped and repatriated prisoners, who tell us that were it not for the Red Cross parcels they would certainly not have lived to return. Of course in some camps, on distant working parties, the delivery of parcels is very irregular and it is at present, I fear, almost impossible to reach the men who are working in the occupied territory.

We hope, however, that the conferees at the Hague, which is at present being held, will have very good results for the prisoners.

I hope that you will be able to continue your splendid work and that Pte. V. Gorst will see you some interesting letters from Germany.

When asthma comes do not despair. Turn at once to the help effective—Dr. J. D. Kellogg's Asthma Remedy. This wonderful remedy will give you the aid you need so sorely. Choking ceases, breathing becomes natural and without effort. Others, thousands of them, have suffered as you suffer but have wisely turned to this famous remedy and ceased to suffer.
