

The Chairman desired the Secretary to enter on the minutes that the Commission had not met on the 13th January, according to adjournment, because they had been informed that in consequence of the varied and voluminous character of the returns asked for by the Commission, it would be impossible for parties preparing them to have them ready on that day. The Commissioners had therefore agreed to postpone the meeting until to-day.

The Secretary read a letter from the Hon. The Chancellor of the University, dated 13th January last, stating the reason why he had not answered the queries put to him.

During the course of the meeting, the following returns were presented through the Secretary :

1. The Bursar's answers to the queries put to him under the minutes of last meeting relating to the Toronto School of Medicine, the Lunatic Asylum, and expenditure on grounds.

2. A letter from the President of University College, dated 1st inst., with the returns therein named.

3. An estimate of University income for the year 1862, prepared by the Bursar.

4. A letter from the Registrar of the University, dated this day, with the replies of the Senate to the questions proposed to the Chancellor and Senate, with the exception of the copy of the report of the Committee on joint expenditure, and the lists of examiners and scholars which were not quite ready.

The Commissioners were occupied during the meeting with the examination of these returns, and adjourned at 5 o'clock P. M., to meet to-morrow morning at eleven o'clock.

(Signed,) JAMES PATTON,
Chairman.
