The Seventh Tea Ship from Japan.

Messrs. Musson & Morrow yesterday received a telegram from Port Moody, B.C., amouncing the arrival at that port of the ship Friedes Grampp from Japan with 8700 packages of tea for the Canadian and United States markets. This makes the seventh arrival at Port Moody of tea ships since the opening of the Canadian Pacific Railway to the Pacific coast.

THE ISLAND FERRY PRIVILEGE.

What True Merit Will De.

—The unprecedented sale of Boschee's German Syrup within a few years, has astonished the world. It is without doubt the safest and best remedy ever discovered for the speedy and effectual cure of coughs, colds and the severest lung troubles. It acts on an entirely different principle from the usual prescriptions given by physicians, as it does not dry up a cough and leave the disease still in the system but on the contrary removes the cause of the trouble, heals the parts affected and leaves them in a purely healthy condition. A bottle kept in the house for use when the diseases make their appearance, will save doctor's bills and a long spell of serious illness. A trial will convince you of these facts. It is positively sold by all druggists and general dealers in the land. Price, 75 cents, large bottles.

From the Indianapolis News.
Makin' money ain't so easy,
Men'll fret and fool about.
All their lives an' then be poorer
Than when they first started out.
Every one's a snatch' an-grabbin',
Beats Sam Hill! Wy, I declare,
Man's relation to finances
Hain't the thickness of a hair.
Let me say while we're a talkin',
Fore ye sell yer little farm,
An' by moovin' to the city
Think ye'll live jest like a charm.
Think at ye'll invest in somethin'
Make a fortune without work.
Wear good clothes an' be a big bug
Do your business through a clerk,
'At the rock ats allers rollin'
Hain't no moss. The man' at tails
Is the man' at lets the future
Swoller him teeth an' toe-nails.
My advice is stick to farmin'.
Stick to it through good an' bad;
'I'll bet a peck of rotten apples
Ef you don't ye'll wish you had.
