Every year, Volkswagens race on the Baja. Every year they win.

Every year Volkswagens race in the Mexican 1000. Over some of the roughest terrain in the world. The Baja Desert. Against all sorts of competition. And the Volkswagens have finished first. Five times, in five consecutive years.

We're celebrating these victories with the Baja Champion SE, A limited production Super Beetle with special features.

- Like silver metallic paint.
- Special sports wheels.
- A special plaque and certificate.
- A leatherette interior as standard equipment.
- And the same type of rugged construction and dependability that beat the Baja.

And for all that, it only costs a little more than a regular Super Beetle.

As we said, The Baja Champion SE is a limited production car.

We don't have many. So come in soon. Look over the Special Edition Beetle. And any other VW that catches your eye.

They're all made as if they were going to the Baja.

We're celebrating with the Baja Champion SE.
