

A large grid of black dots on a white background. The top portion of the grid forms the word 'FLODO' in a stylized, blocky font. Below the word, the remaining rows of the grid are filled with a solid, uniform pattern of black dots, creating a dense rectangular block.

A 2x8 grid of 16 images showing the progression of a dot pattern forming the word 'ZERO'. The top row shows the pattern from 1 to 8 dots, and the bottom row shows it from 9 to 16 dots. The pattern starts as a single dot in the top-left and grows to form the letters 'Z', 'E', 'R', and 'O' in sequence. The dots are arranged in a way that the word 'ZERO' becomes increasingly visible as more dots are added.
