The Rockefeller Foundation.
INVESTIGATION OF INDUSTRIAL RELATIONS.

The Roxborough,
Ottawa, October 12, 1914.

Mr. G. S. Proctor, (of Newmarket, Ont.)
Crescent Hotel,
Souris, Man.

Dear Mr. Proctor:

I have your letter of the 5th instant, and must thank you for its kind and appreciative words. Coming as they do from a friend in North York, they are doubly appreciated by me.

It is kind of you to offer your services in connection with the investigation of industrial relations, the direction of which I have undertaken for the Rockefeller Foundation. As it will probably be some months before I shall have my plans sufficiently matured to say just what may be necessary in the way of assistance, I cannot at the present time hold out any promise of possible employment. I shall, however, retain your communication for purposes of reference, and in the event of finding it desirable to secure your services later on, will have pleasure in communicating with you. Meanwhile, allow me to thank you for the particulars with reference to your work and yourself which your letter contains.

Perhaps some time when we are both in Newmarket I shall know more about the position of the work, and how far it may be possible to utilize the services of the very large number of those who have sent in their applications to both myself and the Foundation.

With kind regards,

Yours sincerely,

W. L. MACKENZIE KING
