

Right Honourable
Arthur Meighen -- 2.

August 4, 1941.

correspondence with both Murray and the Chief Censor, a Colonel Landre, who claimed he had nothing to do with it. In my instance the order I believe was from Toronto. What aggravated me most was that after that incident I had a request from the C.B.C. to speak on a national hook-up for fifteen minutes on "The Spirit of Canada". This incident may have had nothing to do with the other incident, but I was human enough to feel that the request came to try to quieten me and I told them I would not do it and I told them why.

Yours faithfully,

M. A. MacPHERSON.
