Dear Sir:

I wish to thank you for your letter of March 21st outlining proposed itinerary covering Norway House Treaty Payments trip, 1939 and observe that the flying this year will take eleven days compared with six days last year.

Taking this into consideration as well as the fact that local freight and passenger traffic, (which has been figured into and carried in conjunction with this work) is practically nil, we are compelled to quote a figure higher than heretofore.

However, we would be pleased to follow the program outlined in your letter at a cost of six hundred dollars, (\$600.00).

Trusting that this is the information desired and that we may be favoured as in the past, I am,

Yours very truly,

*Joe Brown*  
Traffic Manager.
