Dear Sirs,

Re:- T/ground ETZERZA G.A. & Christopher.
Indians -- refused partnership.

Further to my letter of November 22 nd, and yours dated November 18. th, would you be so kind as to allow this Office to know the reason why this request has been refused?-- a copy of Inspector Van Dyk's letter was not submitted.

No Reason given.
or rec'd yet.

This was a very sensible request, signed by yourself December 14. th 1938 and again in Prince Rupert January 6 th 1939, and it is considered it should be accepted.

Lay off rec'd
for 1939

However if it is not, then a "Lay-off" on behalf of Indian Christopher is requested, as the lad is now out earning some ready money. This also allows of his very small ground, breeding some fur for the future.

It is mentioned that your Department are now holding "cancellation" papers that are null and void for future use.

Yours truly.

Harper Reed Indian Agent.
